To: Mayor Uhring and the Honorable Members of the City Council

Prepared by: Kristin Riesgo, Community Services Director

Approved by: Steve McClary, City Manager

Date prepared: November 9, 2023 Meeting date: December 11, 2023

Subject: Road Race Agreement

RECOMMENDED ACTION: At the recommendation of the Road Race Ad Hoc Committee, approve the Agreements with Malibu Race Series LLC and Zuma Foundation Inc. for the two allowable Road Race Temporary Use Permits.

FISCAL IMPACT: There is no fiscal impact associated with the recommended action.

STRATEGIC PRIORITY: This item is part of the day-to-day operations identified in the Adopted FY 2023-24 Strategic Priority Project List.

DISCUSSION: On December 11, 2012, Council adopted City Council Policy #47 - Road Race Policy (Attachment 1). In accordance with the Road Race Policy, the City may grant a maximum of two temporary use permits for marathons, triathlons, and cycling events per calendar year.

On August 12, 2013, the City entered into a 10-year Agreement with Michael Epstein Sports Productions Inc. to host the Malibu Triathlon (Triathlon) through November 1, 2023. From 2017 to 2021 the Agreement transferred between two other agencies, and from 2021 to 2023 Super League Holdings PTE LTD (Super League) organized the Triathlon.

On November 14, 2022, Council reviewed a proposal for a new five-year Agreement with Super League, which would allow them to continue operating the event through October 2027. Council assessed the request and directed staff to bring back an item in January 2023 to form and appoint members to an Ad Hoc Committee to review the City's Road Race Policy and proposed Super League Triathlon agreement.

On January 9, 2023, Councilmembers Grisanti and Riggins were appointed to the Road Race Ad Hoc Committee (Ad Hoc). The Ad Hoc met with staff and reviewed the Road Race Policy and recommended opening a Request for Proposals (RFP).

On August 28, 2023, Council approved opening a Road Race RFP. Staff worked with the Ad Hoc to compile the proposal requirements, timelines, and selection process. The Road Race RFP was issued August 30, 2023, and the City received four proposals by the September 27, 2023 deadline.

The Ad Hoc reviewed the proposals and conducted interviews with each race organizer. The evaluation process examined the organization's experience in addition to community benefits and involvement, road race impacts, registration data, proposed street closures, and financial documentation.

Following a thorough evaluation and screening process, the Ad Hoc has recommended the City award the agreements for the two allowable Temporary Use Permits to the Malibu Race Series LLC and Zuma Foundation Inc.

Malibu Race Series LLC and Zuma Foundation Inc. demonstrated a commitment to minimizing road closures and community impacts. The organizations will incorporate programs and partnerships with local organizations. In addition to coordinating the adult races, each organization will plan a children's race that will encourage fitness, goal setting, and the race experience. Fundraising opportunities will be prioritized for local non-profit organizations such as the Boys and Girls Club of Malibu and Malibu schools.

Each race organizer has agreed to work with City staff and submit all required documents, permits, and referrals, as part of the race requirements listed in the City Council Policy #47 - Road Race Policy.

6.15.4 Whenever in this Agreement the context may so require, the masculine gender shall be deemed to refer to and include the feminine and neuter, and the singular shall refer to and include the plural.

6.16 Counterparts. This Agreement may be executed in counterparts and as so executed shall constitute an agreement which shall be binding upon all parties hereto.

6.17 Default. The following shall be deemed events of default ("Default") under this Agreement:

6.17.1 By City. Failure by the City to perform or comply with its obligations or responsibilities hereunder, which is not cured within a reasonable time, but in no event to exceed thirty (30) days following receipt by the City of written notice from MRS specifying with particularity the Default so claimed. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy. In no event shall either party be liable for any loss of use, loss of time, inconvenience, lost profits or other special, incidental or consequential damages in any way related to or arising from this Agreement or the 5K and Half Marathon Race Event.

Saturday: 5km in Zuma.

Currently, the course starts on Zuma access road and loops back on PCH (See map below). We attempted to adjust the 5km course this year to be within the Zuma parking lot for the entirety of the race but were denied due to pre-planned construction.

We have confirmation from LABH that we can make this change starting in 2024, which will enable us to reduce our impact on PCH to just one day. Both kids' races take place in Zuma, on the sand and on the promenade.

Sunday: Half Marathon.

The route starts in the north end of Zuma at our expo site, lot 12, and runs down Zuma access road to the entrance gates, swings left onto PCH and heads north just past Nicholas Canyon beach before turning around and coming back the same way until reaching the north end of Zuma.

The course cuts back into Zuma lot 12 to finish in our main event area. We are sensitive to the concerns of nearby residents, especially those on Broad Beach, and we will continue to evaluate and explore solutions/routes to further minimize impact.

4.2.2. PROPOSED ROAD AND INTERSECTION CLOSURES (FULL AND PARTIAL):

We close one lane on PCH from the entrance to Zuma Beach to just south of Leo Carrillo. We close the south end of Broad Beach road at Trancas, with a partial closure at the north end of Broad Beach road (staffed with a sheriff to allow cars in and out as possible/needed). Additional partial closures at several driveways and small roads between Broad Beach and the half marathon turn-around point just past Nicholas Canyon.

4.2.3. GENERAL PARKING PLAN

We have developed a parking strategy for each day of the event to minimize impact on the surrounding neighborhoods, our participants, and the city. With the high potential for ingress closures, we are taking extra steps to ensure PCH is minimally impacted by traffic build up.

Friday: Participants will self-park between lots 1 and 10 in the Zuma lot to visit the expo in lot 12. Rates established by LABH will apply.

Saturday: We have negotiated with LA Beaches and Harbors and, pending final numbers, will be pre-paying for anyone (not limiting access to the general public, up to xx cars – calculated by estimating around 50% of expected participants for number of spaces needed) to park at Zuma Beach Parking on Saturday morning, which will allow traffic to flow through the Zuma parking entrance and utilize Westward Road to get cars off of PCH quickly and safely. Participants will self-park between lots 1 and 10 at Zuma and potentially along Westward Beach Road. In the afternoon for the kids' races, we don't anticipate heavy traffic - participants will self-park at Zuma and rates established by LABH will apply.

Should Malibu Race Series LLC obtain and maintain an excess liability policy, such policy shall be excess over commercial general liability, automobile liability, and employer's liability policies.

Such policy or policies shall include wording that the excess liability policy follows the terms and conditions of the underlying policies.

OTHER PROVISIONS OR REQUIREMENTS

Proof of Insurance. Malibu Race Series LLC shall provide certificates of insurance and required endorsements to City as evidence of the insurance coverage required herein. Insurance certificates and endorsements must be approved by City's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City for the contract period and any additional length of time required thereafter. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

Malibu Race Series LLC shall procure and maintain for the contract period, and any additional length of time required thereafter, insurance against claims for injuries to persons or damages to property, or financial loss which may arise from or in connection with the performance of the Work hereunder by Malibu Race Series LLC, their agents, representatives, employees, or sub Malibu Race Series LLCs.

Primary/Noncontributing. Coverage provided by Malibu Race Series LLC shall be primary and any insurance or self-insurance procured or maintained by City shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City before the City's own insurance or self- insurance shall be called upon to protect it as a named insured.

City's Rights of Enforcement. In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary, and any premium paid by City will be promptly reimbursed by Malibu Race Series LLC or City will withhold amounts sufficient to pay premium from Malibu Race Series LLC payments. In the alternative, City may cancel this Agreement.

All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the City's Risk Manager.

Waiver of Subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against City, its elected or appointed officers, agents, officials, employees, and volunteers or shall specifically allow Malibu Race Series LLC or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Malibu Race Series LLC hereby waives its own right of recovery against

City and shall require similar written express waivers and insurance clauses from each of its sub Malibu Race Series LLCs.

Enforcement of Contract Provisions (Non Estoppel). Malibu Race Series LLC acknowledges and agrees that any actual or alleged failure on the part of the City to inform Malibu Race Series LLC of non-compliance with any requirement imposes no additional obligations on the City nor does it waive any rights hereunder.

Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Malibu Race Series LLC maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Malibu Race Series LLC. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notice of Cancellation. Malibu Race Series LLC agrees to oblige its insurance agent or broker and insurers to provide the City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage. If any of the Malibu Race Series LLC's insurers are unwilling to provide such notice, then Malibu Race Series LLC shall have the responsibility of notifying the City immediately in the event of Malibu Race Series LLC's failure to renew any of the required insurance coverages, or insurer's cancellation or non-renewal.

Additional Insured Status. General liability, automobile liability, and umbrella/excess liability insurance policies shall provide or be endorsed to provide that City and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies.

Prohibition Of Undisclosed Coverage Limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

Separation of Insureds. A severability of interests' provision must apply for all additional insureds ensuring that Malibu Race Series LLC's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

Pass Through Clause. Malibu Race Series LLC agrees to ensure that its sub Malibu Race Series LLCs, subcontractors, and any other party who is brought onto or involved in the project/service by Malibu Race Series LLC (hereinafter collectively "Subcontractor"), provide the same minimum insurance coverage and endorsements required of Malibu Race Series LLC under this Agreement. Malibu Race Series LLC agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of

this section. However, in the event Malibu Race Series LLC's Subcontractor cannot comply with this requirement, which proof must be submitted to the City, Malibu Race Series LLC may still be able to utilize the Subcontractor provided Malibu Race Series LLC shall be required to ensure that its Subcontractor provide and maintain insurance coverage and endorsements sufficient to the specific risk of exposure involved with Subcontractor's scope of work and services, with limits less than required of the Malibu Race Series LLC, but in all other terms consistent with the Malibu Race Series LLC's requirements under this Agreement. This provision does not relieve the Malibu Race Series LLC of its contractual obligations under the Agreement and/or limit its liability to the amount of insurance coverage provided by its subcontractors. This provision is intended solely to provide Malibu Race Series LLC with the ability to utilize a Subcontractor who may be otherwise qualified to perform the work or services but may not carry the same insurance limits as required of the Malibu Race Series LLC under this Agreement given the limited scope of work or services provided by the subcontractor. Malibu Race Series LLC agrees that upon request, all agreements with Subcontractors, and others engaged in the project and/or services, will be submitted to City for review.

City's Right to Revise Specifications. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Malibu Race Series LLC ninety (90) days' advance written notice of such change. If such a change results in substantial additional costs to the Malibu Race Series LLC, the City and Malibu Race Series LLC may renegotiate the Malibu Race Series LLC's compensation.

Self-Insured Retentions. Any self-insured retentions must be declared to and approved by the City. City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible, or require proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention through confirmation from the underwriter.

Timely Notice Of Claims. Malibu Race Series LLC shall give City prompt and timely notice of claims made or suits instituted that arise out of or result from Malibu Race Series LLC's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

Additional Insurance. The Malibu Race Series LLC shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.

6.18 Waiver; Remedies Cumulative. Failure by a party to insist upon the performance of any of the provisions of this Agreement by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party's right to demand compliance by such other party in the future. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy. Professional Liability (Errors & Omissions) Insurance. Zuma Foundation Inc. shall maintain professional liability insurance that covers the Services to be performed in connection with this Agreement, in the minimum amount of \$1,000,000 per claim and in the aggregate. Any policy inception date, continuity date, or retroactive date must be before the effective date of this agreement and Zuma Foundation Inc. agrees to maintain continuous coverage through a period no less than three years after completion of the services required by this agreement.

Zuma Foundation Inc. shall submit to Agency, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of City, its officers, agents, employees, and volunteers.

Umbrella or Excess Liability Insurance. Zuma Foundation Inc. shall obtain and maintain an umbrella liability insurance policy with limits that will provide bodily injury, personal injury, and property damage liability coverage, including commercial general liability, automobile liability, and employer's liability. Such policy or policies shall include the following terms and conditions:

- A drop-down feature requiring the policy to respond if any primary insurance that would otherwise have applied proves to be uncollectible in whole or in part for any reason, other than bankruptcy or insolvency of said primary insurer;
- "Pay on behalf of" wording as opposed to "reimbursement";
- Concurrency of effective dates with primary policies.

Should Zuma Foundation Inc. obtain and maintain an excess liability policy, such policy shall be excess over commercial general liability, automobile liability, and employer's liability policies.

Such policy or policies shall include wording that the excess liability policy follows the terms and conditions of the underlying policies.

OTHER PROVISIONS OR REQUIREMENTS

Proof of Insurance. Zuma Foundation Inc. shall provide certificates of insurance and required endorsements to City as evidence of the insurance coverage required herein. Insurance certificates and endorsements must be approved by City's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City for the contract period and any additional length of time required thereafter. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

Duration of Coverage. Zuma Foundation Inc. shall procure and maintain for the contract period, and any additional length of time required thereafter, insurance against claims for injuries to persons or damages to property, or financial loss which may arise from or in connection with the performance of the Work hereunder by Zuma Foundation Inc., their agents, representatives, employees, or subZuma Foundation Inc.s.

Primary/Noncontributing. Coverage provided by Zuma Foundation Inc. shall be primary and any insurance or self-insurance procured or maintained by City shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City before the City's own insurance or self- insurance shall be called upon to protect it as a named insured.

City's Rights of Enforcement. In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary, and any premium paid by City will be promptly reimbursed by Zuma Foundation Inc. or City will withhold amounts sufficient to pay premium from Zuma Foundation Inc. payments. In the alternative, City may cancel this Agreement.

Acceptable Insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the City's Risk Manager.

Waiver of Subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against City, its elected or appointed officers, agents, officials, employees, and volunteers or shall specifically allow Zuma Foundation Inc. or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Zuma Foundation Inc. hereby waives its own right of recovery against

City and shall require similar written express waivers and insurance clauses from each of its subZuma Foundation Inc.s.

Enforcement of Contract Provisions (Non Estoppel). Zuma Foundation Inc. acknowledges and agrees that any actual or alleged failure on the part of the City to inform Zuma Foundation Inc. of non-compliance with any requirement imposes no additional obligations on the City nor does it waive any rights hereunder.

Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Zuma Foundation Inc. maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Zuma Foundation Inc.. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notice of Cancellation. Zuma Foundation Inc. agrees to oblige its insurance agent or broker and insurers to provide the City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage. If any of the Zuma Foundation Inc.'s insurers are unwilling to provide such notice, then Zuma Foundation Inc. shall have the responsibility of notifying the City immediately in the event of Zuma Foundation Inc.'s failure to renew any of the required insurance coverages, or insurer's cancellation or non-renewal.

Additional Insured Status. General liability, automobile liability, and umbrella/excess liability insurance policies shall provide or be endorsed to provide that City and its officers, officials, employees, agents, and volunteers shall be additional insureds under such policies.

Prohibition Of Undisclosed Coverage Limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

Separation of Insureds. A severability of interests' provision must apply for all additional insureds ensuring that Zuma Foundation Inc.'s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

Pass Through Clause. Zuma Foundation Inc. agrees to ensure that its subZuma Foundation Inc.s, subcontractors, and any other party who is brought onto or involved in the project/service by Zuma Foundation Inc. (hereinafter collectively "Subcontractor"), provide the same minimum insurance coverage and endorsements required of Zuma Foundation Inc. under this Agreement. Zuma Foundation Inc. agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section.

However, in the event Zuma Foundation Inc.'s Subcontractor cannot comply with this requirement, which proof must be submitted to the City, Zuma Foundation Inc. may still be able to utilize the Subcontractor provided Zuma Foundation Inc. shall be required to ensure that its Subcontractor provide and maintain insurance coverage and endorsements sufficient to the specific risk of exposure involved with Subcontractor's scope of work and services, with limits less than required of the Zuma Foundation Inc., but in all other terms consistent with the Zuma Foundation Inc.'s requirements under this Agreement. This provision does not relieve the Zuma Foundation Inc. of its contractual obligations under the Agreement and/or limit its liability to the amount of insurance coverage provided by its subcontractors. This provision is intended solely to provide Zuma Foundation Inc. with the ability to utilize a Subcontractor who may be otherwise qualified to perform the work or services but may not carry the same insurance limits as required of the Zuma Foundation Inc. under this Agreement given the limited scope of work or services provided by the subcontractor. Zuma Foundation Inc. agrees that upon request, all agreements with Subcontractors, and others engaged in the project and/or services, will be submitted to City for review.

City's Right to Revise Specifications. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Zuma Foundation Inc. ninety (90) days' advance written notice of such change. If such a change results in substantial additional costs to the Zuma Foundation Inc., the City and Zuma Foundation Inc. may renegotiate the Zuma Foundation Inc.'s compensation.

Self-Insured Retentions. Any self-insured retentions must be declared to and approved by the City. City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible, or require proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention through confirmation from the underwriter.

Timely Notice Of Claims. Zuma Foundation Inc. shall give City prompt and timely notice of claims made or suits instituted that arise out of or result from Zuma Foundation Inc.'s performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

Additional Insurance. The Zuma Foundation Inc. shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.
