Subject: Collection of Fees for the Implementation of the California Integrated Waste Management Act within the Malibu Garbage Disposal District

RECOMMENDED ACTION: 1) Conduct the public hearing; and 2) Adopt Resolution No. 24-25 authorizing collection on the County Tax Roll of a fee from residential and commercial premises for the cost of preparing, adopting and implementing the City's Source Reduction and Recycling Element and Household Hazardous Waste Element imposed by Resolution No. 03-30.

FISCAL IMPACT: No additional appropriation is required. These fees will generate approximately \$18,150 to the Solid Waste Management Fund (207-0000-3434-00) in Fiscal Year 2024-25. This action does not increase the fees imposed and collected on the subject properties. Revenue in the amount of \$18,150 is included in the Proposed Budget for FY 2024-25.

STRATEGIC PRIORITY: This item is part of the day-to-day operations identified in the Adopted FY 2023-24 Strategic Priority Project List.

DISCUSSION: In 1993, the City Council approved a policy for the reduction and diversion of solid waste from local landfills in conjunction with the requirements of the California Integrated Waste Management Act of 1989, also called AB 939. To fund the costs of the City's waste reduction and recycling program, the City Council adopted Resolution No. 93-169, establishing fees of \$0.60 per single-family household per month, \$0.50 per cubic yard disposed per commercial site per month, and \$7.20 per single-family household within the Malibu Garbage Disposal District (MGDD) per year, for all properties within city limits. The resolution authorized the City to collect this fee and delegated the solid waste hauling companies to assess this fee in conjunction with the cost for solid waste collection services.

Solid waste collection for portions of Malibu within the MGDD is administered by the County of Los Angeles, which assesses properties directly for hauling and disposal costs on an annual basis. Property owners in this district pay the fee authorized by Resolution No. 93-169 to the City, plus the County's administrative fee through the County Assessor's Office tax roll. Customers outside of this district pay the solid waste fee directly to their hauler, who then reimburses the City on a quarterly basis.

In June 2003, two public meetings were held to inform the community of this process. Staff received no objections to the collection of the fee in this manner and City Council adopted Resolution No. 03-30, authorizing this fee to be assessed on the tax rolls annually. This process is now repeated every new fiscal year as required by the County.

The fees for the MGDD must be placed on the property tax rolls for FY 2024-25 by August 10, 2024. Resolution No. 24-25 authorizes the County to collect the fees along with the property tax. The total to be collected is detailed in Attachment 3, subject to any minor parcel adjustments by the County Assessor. Residents outside the MGDD will continue to pay their fee directly to the hauler.

- D. Section 8.32.370.B. of the Malibu Municipal Code expressly authorizes collection of the fee in this manner.

The Council hereby approves the Malibu Garbage Disposal District Report of Parcels contemplated by Health and Safety Code Section 5473, containing a description of each parcel of real property receiving solid waste services and the amount of the Fee for each parcel computed in accordance with Resolution No. 93-169.

SECTION 6. The Fee shall be collected by the County Tax Collector at the same time and in the same manner and together with City and County property taxes and shall constitute a lien on the parcels from which it is due.

SECTION 7. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.
