DISCUSSION: On November 8, 1999, the Council established the Harry Barovsky Memorial Youth Commission (Commission) to serve as a voice for the youth of Malibu. The Commission facilitates leadership and volunteer opportunities each year through meetings, programs, and events. Commissioners also find solutions to issues related to local youth, demonstrate leadership amongst their peers, and promote civic responsibility.

In 2016, the Council adopted Resolution No. 16-46 (Attachment 1) based on the Commission's recommendation and modified the Commission structure and application process to include:

- The Commission shall be comprised of no less than seven and no more than twenty-five members
- All applicants are required to participate in an interview process in order to be considered for appointment to the Commission
- Once the interview process is completed, successful candidates would be presented at a Regular City Council meeting for appointment to the Commission by a majority vote of the Council at large

The 2023-2024 Youth Commission application period closed on Friday, March 31, 2023, and 17 applicants completed the process. Of the 17 applicants, nine are current Commissioners, seven have not served on the Commission, and one is a former Commissioner (Attachment 2).

Staff recommends the Council appoint the 17 applicants to serve on the 2023-2024 Harry Barovsky Memorial Youth Commission (Attachment 3).

Describe your involvement in school activities

I have participated in the Malibu schools' choir programs since 4th grade and am currently an alto in the Malibu High School Chorale, which performs at live concerts and other musical performances throughout Malibu, as well as inter-scholastic competitions. I have participated in the Santa Monica College Chamber Music program for two years, and have been earning college credit for it. This Chamber group performs at various locations across Malibu throughout the year, including wintertime caroling, fundraising gala events and concerts at MHS. I am currently the only sophomore in the 2023 cast for the Malibu High School Musical, "Spongebob: The Musical", where I play Old Man Jenkins. Previously, I was the only freshman cast member in the 2022 Malibu High School Musical, "You're A Good Man, Charlie Brown", playing the Little Red-Haired Girl. I have been active in the Malibu AYSO program since fourth grade, and our teams have been named Area Champions several times, enabling us to compete in regional and statewide tournaments in Bakersfield, CA. This year, I was a co-captain of the MHS JV Soccer team, which involved organizing practices and facilitating team communication. I was a player on the MHS JV Soccer team for the 2021-2022 season as well. I am a member of the PR team for Malibu High's Zanmi Club, which helps women in Haiti generate income through a non-profit handicraft partnership while simultaneously teaching Malibu high school students about entrepreneurship, world issues, and other important skills through various initiatives such as the upcoming pop-up shop being organized in partnership with Pepperdine. I was a part of the 2021 MHS Cheer Team, and helped reactivate the cheer team after a multi-year hiatus at MHS, and performed cheers at MHS football games. I participated in the MHS Campus Plan Student Interface, which involved periodic meetings to gather student feedback and input on different architectural proposals and models for the new campus. I participated in the after-school journalism class at Malibu Middle School which created content for the Malibu High School newspaper, The Current. I have had several items published in The Current. I was also an 8th grade correspondent on the Malibu Middle School Yearbook Committee. This involved gathering quotes, photographs, and other content for multiple spreads in the yearbook, as well as brainstorming ideas and developing and editing photo layouts. Pre-pandemic, I traveled with my choir to all of the Malibu elementary schools for a choir outreach program to generate interest in the Middle School and High School choirs.

Describe any work or volunteer experience you have

I have volunteered at many city events associated with the Youth Commission, like trash pickups, Santa Paws, Breakfast with Santa, and the Halloween Bu-Bash. I have also volunteered at other community events with other organizations, including Trunk

or Treat at Malibu Elementary, the Malibu Elementary campus beautification project, and the Malibu Chili Cook Off organized by the Malibu Boys and Girls Club. I have worked as an office clerk in a local law firm, assisting with filing, bookkeeping, and document management. I have helped assemble holiday gift and care packages for underprivileged children and families overseas. I have also collected toys and food items for underprivileged families in toy and food drives. Pre-pandemic, I volunteered my time as a classroom helper at Webster Elementary School.

Describe any leadership experience

I have served two terms on the Youth Commission and have enjoyed volunteering at the many events organized by the Youth Commission. In my freshman year, I served as Freshman Representative in the High School Chorale Cabinet, and was appointed Sophomore Representative this year. I was chosen as a co-captain for the JV Soccer Team at MHS this year, and took on a proactive role regarding scheduling, boosting morale, and assisting my teammates. In the MHS Zanmi Club, I have helped lead fundraising, marketing, and public relations projects. In High School Chorale, I have helped lead the Valentine Gram and Candy Cane Gram projects for several years and taken a proactive role in sales, supplies, marketing, and delivery. In elementary school, I was chosen to represent my school in a small and elite group at a regional Math Olympiad. Throughout my time in various leadership positions across different aspects of my life, I have enjoyed getting to help my peers and make a difference in these roles.

Why are you interested in joining the Youth Commission?

I enjoy taking on leadership roles and planning, organizing, and promoting events! I think it's important for Malibu's youth to be active and have a voice in the community. Growing up in Malibu, I was lucky enough to participate in many city-sponsored recreational events, such as Breakfast with Santa, Easter events, Halloween events, ballet classes, surf camps, and cartooning classes. Having experienced the joy these events can create firsthand, I am inspired to help organize events for Malibu youth as part of the Youth Commission and give back to the community in the 2023-2024 term. It would mean a lot to me to help create happy memories at city events for youth in Malibu, like my own memories at these events.

Meeting Schedule

If you have any prior commitments that may prevent you from attending Youth Commission meetings, please list them below. The Youth Commission meets at 7:00 p.m. on the 1st Thursday of each month, September through June. Meetings are expected to resume in person by September 2023. Describe your involvement in school activities

I am the president of the Zanmi Club at Malibu High School for the second year in a row. The Zanmi Club is a charitable organization that works to sell baskets and other handicrafts made by women in the poorest part of Haiti to improve their lives and the lives of their families. This Club meets weekly at MHS to organize fundraisers and collect and prepare old t-shirts to be recycled into handicrafts. As president of the Zanmi Club, I oversee the work of the public relations and marketing teams within the Club. I also redesigned the Club's website. The Zanmi Club will soon be partnering with the Boys & Girls Club of Malibu to launch a pop-up store in Malibu, which will enable Zanmi Club members to gain valuable entrepreneurial experience while supporting this charitable cause.

I have played on the girls junior varsity tennis team at MHS for the past two years. This year, I was the captain of the team, and occasionally played as a sub on the varsity team. As captain of the JV team, I helped organize team practices, had input on team lineups, and was responsible for team communications.

I am a member of the MHS orchestra and have played violin in Malibu schools for many years, at times serving as concertmaster. For three of the last four years, I have served on the orchestra leadership team. I have also participated in various outreach efforts for the Malibu Middle and High School orchestras, which involves visiting and performing for elementary school students in Malibu to promote the orchestras. Previously, I was one of two eighth grade correspondents on the Malibu Middle School yearbook committee, which involved gathering photos and other content for the yearbook. I was also one of three eighth graders participating in an after school journalism program at Malibu Middle School, which contributed content to the Malibu High School newspaper, The Current. This involved pitching and writing articles for The Current. During the earlier stages of the pandemic, I also participated in a student interface with the architecture planning committee working on the new Malibu High School campus. This involved attending periodic meetings to provide feedback and input on the new MHS Campus Plan.

Describe any work or volunteer experience you have

I enjoy volunteering my time at different events in Malibu, both through the Youth Commission and other organizations, as a way to give back to the community. Growing up in Malibu, I was fortunate enough to attend numerous events organized by the City and I have found it very rewarding to now participate in those same events as a volunteer. Specifically, this past year, I volunteered at the Bu Bash and the Malibu Elementary Trunk or Treat, both of which involved helping with younger children. I also volunteered at the Santa Paws and Breakfast with Santa events. I really loved volunteering at these events because I remember

attending many of them when I was little. I also volunteered at the Chili Cook-Off this past year. During my freshman year, I participated in a GoBabyGo program through the Boys & Girls Club of Malibu. This program involved building and adapting motorized cars for children with mobility challenges. This was a very rewarding experience as the children seemed delighted to be able to move around on their own in the cars we adapted for them. I have also participated in the beautification of the Malibu Elementary campus, which involved planting varieties of native plants around the school yard to bring the campus to life and add some color. I also participated in the clean up of Malibu Bluffs Park with the Youth Commission last year, which was a very rewarding experience to see the park get cleaned. In the past, I have also helped prepare holiday gift packages for young children in need, in third-world countries. I have also collected toys and food for numerous toy and food drives that took place during high school, middle school and elementary school. Prior to the pandemic, I also volunteered at Webster Elementary, helping out in the classrooms. In addition, I have worked as an office clerk at a local law firm, helping with managing documents, bookkeeping, and filing.

Describe any leadership experience

I have served on the Youth Commission for the past two years, and was elected to the Youth Commission Executive Board this past year, which was a very big honor. As I previously mentioned, I have held many leadership positions during elementary, middle and high school, as I always enjoy helping others and taking on leadership roles. As noted above, I have been the president of the Zanmi Club at MHS for the past two years, which involves organizing meetings, fundraisers, outreach efforts, and much more. I served as captain of the JV tennis team this year and have held various leadership positions within the Malibu High school and Middle School orchestras. In eighth grade, I took on a leadership role by participating on the Malibu Middle School yearbook committee. This involved reaching out to students, faculty and staff to gather photos and other content for the yearbook, pitching and helping design page layouts, and otherwise assisting the committee chairs. In both fourth and fifth grade, I participated in the Student Leadership Team at John L. Webster Elementary School. Also in fourth and fifth grade, I participated in Math Club. During fifth grade, I was selected to be part of a small team that represented the school in a larger, regional Math Olympiad. These leadership experiences helped me earn The Malibu Times Citizenship Award in 2018, when I was in fifth grade.

Why are you interested in joining the Youth Commission?

I am interested in joining the Youth Commission because I would like to be more active in my community. I have always enjoyed volunteer work, and I want to make our community a better place in whatever way I can. I also think that it is important for young people to have a say in future City events. I like to work hard,

organize events, and succeed in getting projects done. I really enjoyed my time serving on the 2021-2022 and 2022-2023 Youth Commissions, as well as the Executive Board this past year and would like to continue participating in the Youth Commission and the activities it organizes.

Describe your involvement in school activities

At Oaks, I am involved with the Business Club, and play varsity tennis. I'm also a part of the school's Global Leadership Institute which equips students with skills to become effective leaders. As part of the Institute, I took the Global Leadership course this year and I'm planning to take the Communications course next year.

Describe any work or volunteer experience you have

During multiple/previous summers, my sister and I volunteered at the California Ocean of Learning preschool in Malibu where we helped the teachers manage the children throughout the day. I also volunteered at the Thorne Family farm in Malibu where I picked fruit and helped with chores around the farm.

Describe any leadership experience

As mentioned above, I'm a part of the Global Leadership Institute at my high school and as a part of this program I took a Global Leadership course this year that teaches students skills and characteristics of effective leadership. In that class, we completed a Shark Tank project where groups create their own mock business in competition with other groups and develop and present a Shark Tank style presentation to the teacher. In my group everyone had a specific role, and as a result of good communication as a team, we won the competition. The project taught me how to effectively articulate my ideas to others and be persuasive.

Why are you interested in joining the Youth Commission?

Since I attend school in Westlake Village, being a part of the Youth Commission would be a great way for me to maintain my relationship with Malibu and contribute to the community. I would love the opportunity for my voice to be heard in the community and be able to use them for positive change.

Describe your involvement in school activities

Aside from my enrollment in all honors and AP courses, I have a passion for club and extracurricular involvements at school. For one, I am the head of marketing and sales for Zanmi, a community service club that sells crafts hand made by women in Haiti to provide them with a steady income stream. After COVID and the graduation of all of its members, the club fell apart. In my freshman year, I became one of the club's new founding members, rebuilding it from the ground up. In addition to organizing sales events and marketing strategies, I directed a documentary for the club, to spread our mission. Furthermore, I am a prosecuting attorney in Mock Trial, a member of Model UN, a founding member of the MHS academic decathlon team, and a member of the California Scholarship Federation.

Describe any work or volunteer experience you have

My job on the inaugural Teen Council at the Academy Museum of Motion Pictures has provided me with invaluable working experience. Alongside my peers, I work to coordinate and curate youth-focused events, workshops, movie screenings, Q and A's, and exhibits. In this position, I have learned how to combine my passion for cinema, problem-solving capabilities, and collaborative skills to provide young people with meaningful experiences. Because the Museum is located in Los Angeles, I have to make quite the commute. As a result, I have learned how to become better at organizing my working schedule and my personal schedule. In addition to the Teen Council, I have had experience volunteering at Go Baby Go events. Go Baby Go is a non-profit that works to provide children with disabilities opportunities to experience mobility. With the organization I engineer/build and retrofit motorized toy cars. My favorite part is the day where I get to meet and interact with the kids and families. It makes me so happy to see their smiles and the joy that the program brings them.

Describe any leadership experience

One experience that has allowed me to gain leadership skills is being co-captain of the Malibu High School Varsity Softball team. I have played softball since the age of 7, both on travel teams and rec teams. In my freshman year of high school the softball program had collapsed, having not been up and running for a few years. As few girls had experience, let alone interest in the sport, the odds of starting up the program again were dim. However, I worked relentlessly by sending emails and communicating with the athletic director to ensure we had a coach and the necessary materials. We started off the season with 5 girls which grew to 10. Through hard work, determination, and collaboration we were able to build the program from the ground up. This year we have played 3 times as many games and started the season with 15 players. Being able to lead my team with my co-captain has been an honor and an extremely beneficial experience. From

organizing practices, to ensuring organized communication, to giving motivational speeches before/during games, I have been able to come into my own as a leader to help in building something bigger than myself. Softball is a team sport that has taught me the importance of fostering a collaborative environment that emphasizes teamwork and the practice of uplifting one another.

Why are you interested in joining the Youth Commission?

I am interested in the Youth Commission as my time serving has allowed me to grow as a youth advocate, a leader, and a member of the Malibu community. Working with the commission, I have learned so much about the inner workings of municipal governments. Whether I choose to pursue a career in government or law, the skills and knowledge I have attained through the commission will prove invaluable. Additionally, as a young person it can be difficult to find your voice and discover a way to make a meaningful impact. This commission has allowed me to positively contribute by voicing my opinions and ensuring that the voices of other young members of the Malibu community are heard. I have thoroughly enjoyed our outreach programs that have allowed us to care for both people and the environment. I have also enjoyed the Youth Government Summits which have given us opportunities to hear directly from activists, government officials, and other professionals so as to discover various ways people display leadership and practice community outreach. Overall, continuing to serve on this commission will allow me to pursue my passion of advocating for youth and making a difference in our incredible community.

Meeting Schedule

If you have any prior commitments that may prevent you from attending Youth Commission meetings, please list them below. The Youth Commission meets at 7:00 p.m. on the 1st Thursday of each month, September through June. Meetings are expected to resume in person by September 2023. All Commissioners are expected to attend monthly meetings, special events, and participate in community service projects. Per the Youth Commission absence policy, Commissioners may miss a maximum of three meetings in a twelve-month period before their seat is vacated.

Activities that may prevent you from attending scheduled meetings

I have softball in the Spring, golf in the fall, and soccer in the winter, however, I will prioritize commission meetings above all else.

Describe your involvement in school activities

At my school, I have been part of the girl's soccer team for two years. I am a part of multiple school clubs and have also been on our school's mock trial team. Additionally, I am a part of my school's ASB in which we plan and participate in many school activities.

Describe any work or volunteer experience you have

Previously I have babysat for many families, and have also worked at a local shop in Malibu called Shine Beauty. Additionally, in the past, I have volunteered to help with daycare at the Malibu Gathering Church. As well as volunteering many hours to help with my school's talent show, the UCLA blood drives, and Malibu's local soccer organization AYSO.

Describe any leadership experience

At my high school, I am a member of ASB as well as our Sophomore Class President. Being granted this opportunity, I have received much experience in leadership. As a member of ASB, I am solely responsible for planning school activities, such as dances, pep rallies, blood drives, etc. ASB is a student ran class in which we all express and act upon our ideas to make the school a better place. Being a part of my school's student body has made me discover the passion I have for student leadership.

Why are you interested in joining the Youth Commission?

I am interested in joining the youth commission as I am very passionate about my community and strive to make it the best place it can be for everyone. If I were a member of the youth comission I would look foward to working with other students who shared common desires, and would love the oppurtunity to participate and bring new ideas to such a great organazation.
