Appointments

---

**RECOMMENDED ACTION:** Appoint Commissioners to the 2021-2022 Harry Barovsky Memorial Youth Commission.

**FISCAL IMPACT:** There is no fiscal impact associated with the recommended action.

**WORK PLAN:** This item was not included in the Adopted Work Plan for Fiscal year 2020-2021. It is a part of normal staff operations.

**DISCUSSION:** On November 8, 1999, the Harry Barovsky Memorial Youth Commission was established by the Council to serve as a voice for the youth of Malibu. Each year, the Commission facilitates opportunities for teens to gain leadership and volunteer experience through meetings, programs, and events. Commissioners also work to find solutions to issues related to local youth, demonstrate leadership amongst their peers, and promote civic responsibility.

During the COVID-19 pandemic, the Commission hosted virtual programs such as the Youth Government Summit and partnered with the Malibu Senior Center to provide poems, scenic Malibu photos, and Valentine's Day cards to local seniors. Additionally, the Commission coordinated various community service projects, including donation drives, beach cleanups, and trail beautification resulting in the removal of over two-hundred pieces of debris from the local trail systems, watersheds, and beaches.

On November 14, 2016, the Council adopted Resolution No. 16-46 (Attachment 1) based on the Commission's recommendation to modify its structure and application process through the following changes:

- The Commission shall be comprised of no less than seven and no more than twenty-five members
- All applicants are required to participate in an interview process in order to be considered for appointment to the Commission
- Once the interview process is completed, successful candidates would be presented at a Regular City Council meeting for appointment to the Commission by a majority vote of the Council at large
- If a member of the Commission is absent from three regular meetings within twelve months without being excused or if a member does not attend at least one Commission sponsored event, the office of such member shall be deemed vacated

The application period for the 2021-2022 Youth Commission closed on Friday, March 26, 2021, yielding 25 complete applications and 1 incomplete application. Applicants submitted a video with their candidate statement in lieu of an in-person oral interview due to the COVID-19 Pandemic. Of the 25 completed applications, 15 are current Commissioners in good standing, and 10 candidates do not have prior Commission experience.

Staff recommends the Council appoint the 25 candidates who successfully completed the application process (Attachments 2 and 3) to serve on the 2021-2022 Harry Barovsky Memorial Youth Commission.

Describe your involvement in school activities\*

My time at Fusion Academy has been all virtual. However, this hasn't stopped me from engaging in various school activities. I am currently a member of the book club, math and science club, art club, current events club, and pop culture debate club. I am also apart of the student senate, mock trial team, and young women's coalition. I attend all the meetings, which occur every couple of weeks via zoom. I am currently working on creating a Rock Your Rights club through the non-profit Creative Visions at Fusion Academy and potentially Our Lady of Malibu School. This club's goal will be to teach about what it means to be a creative activist and implement the arts to spread awareness about global issues. I attended Oaks Christian high school briefly and was a member of the Environmental club, where we brainstormed how the school could be more eco-friendly. I was also apart of the after-school club STEAM, where the high school girls would teach the middle school girls how to build robots.

Describe any work or volunteer experience you have\*

Since the age of twelve, I have been babysitting for a few families on occasion. Within the past year, I have also taken up tutoring. I now babysit/tutor around twice a week for up to four hours each day. I am currently an ambassador for Wells Bring Hope. This non-profit organization builds wells in Niger, West Africa, one of the world's most impoverished countries. I am also an intern for the non-profit organization, Creative Visions. Additionally, I have been working for 90265 Magazine for the past year. I help with marketing, artistic creation and have started writing for the upcoming issue. I have recently started volunteering for Venice Family Clinic, helping give food to the families hit hardest by the pandemic. In the past, I have volunteered at Our Lady of Malibu's pancake breakfast, Mexico Mission trip, and the annual Fall Festival. I have also been on a volunteer trip to Homeboy Industries and Saint Agnus School.

Describe any leadership experience \*

At Our lady of Malibu, I was a student council member as my fifth-grade class representative. I ran and was elected student council treasurer the following year. In eighth grade, I was elected student body president. I oversaw the student council's meetings and would visit classrooms, asking for the students' input on what they think could be changed/done by the commission. In fifth grade, I received the Malibu Optimist Award, and in 2019, I received the Malibu Citizenship award from Our Lady of Malibu. I am a member of the Student Senate at Fusion Academy and help plan out upcoming school events and think of ways to get the student body more engaged during COVID-19.

Why are you interested in joining the Youth Commission?\*

I am interested in joining the Youth Commission to be in touch and be more active within my hometown. I have grown up in Malibu and seen, first hand, the problems it faces. Since I do not attend high school in Malibu, this will be an excellent opportunity for me to be more engaged in my community and be around others my age who feel the same. I believe that it is vital that, as teens, we use our voices to advocate for change and seek out possibilities that allow us to do so. Malibu is one of the most beautiful places in the world, and we must protect the beauty here. My time as student body president taught me that you must work together and act to instill change. By joining the Youth Commission, I will have the chance to use my voice and advocate for the Malibu community teens who can't.

Describe your involvement in school activities\*

At school I participate in Model United Nations where we work together to come up with solutions to real world issues affecting the entire world. Additionally, I am part of Eden's Surfrider club where we help clean the beaches and raise money for larger projects. Finally, I play baseball and basketball, these sports have taught me how to work as a team and how to manage my time because I am forced to manage my school work even if I do not get home until 10 pm.

Describe any work or volunteer experience you have\*

I volunteer at my temple as a member of KITT. This is a group of teenager who research non-profits and then fundraise money that help fund projects for people in need all over the globe. I also volunteer for Malibu High School's booster club as a worker at their events. This is how the sports at my school is able to afford coaches, trainers and equipment. Lastly, I have been on this Youth Commission for 2 years planning events for our community.

Describe any leadership experience \*

I was part of the associated student body at my school where I was not only a leader to the other students in the class, but a leader to the whole student body. I was in a role where I had to listen to what students liked and give the school feedback and help them in planning events. Additionally, on my baseball team, I see myself as a leader and try to set a good example for everyone else. Although I am not a senior, I know that if I put in the effort, others around me will be forced to and then our team will have better results.

Why are you interested in joining the Youth Commission?\*

I am applying for my third year in Youth Commission. From the last two years, I have learned valuable lessons about planning and how governments work. It has led me to consider working in the government one day and possibly even in Malibu. Even though we have not been able to plan much this year, I enjoyed volunteering at the events last year and knowing that we had the ability to create fun for kids.

Meeting Schedule

Describe your involvement in school activities\*

I participate in the after-school journalism class at Malibu Middle School which creates content for the Malibu High School newspaper, The Current. I have had several items published in The Current. I am also an 8th grade correspondent on the Malibu Middle School Yearbook Committee. This involves gathering quotes, photographs, and other content for multiple spreads in the yearbook, as well as brainstorming ideas and developing and editing photo layouts. Pre-pandemic, I traveled with my choir to all of the Malibu elementary schools for a choir outreach program to generate interest in the Middle School choir. I participated in the MHS Campus Plan Student Interface, which involved periodic meetings to gather student feedback and input on different architectural proposals and models for the new campus.

Describe any work or volunteer experience you have\*

I have helped assemble holiday gift and care packages for underprivileged children and families overseas. I have also collected toys and food items for underprivileged families in toy and food drives. Pre-pandemic, I volunteered my time as a classroom helper at Webster Elementary School.

Describe any leadership experience \*

I have taken on a leadership role in my choir class, helping students and teachers alike with the various choir performances and activities, such as using video editing software to create performance videos and outreach videos. I have also taken on a leadership role through my involvement in the Malibu Middle School yearbook committee, including reaching out to peers/teachers/administrators to gather photos and other content, proposing ideas and spreads, and seeking out additional responsibilities from the committee chairs. I was involved in student council in elementary school, which included frequent meetings and event planning and promotion. In 4th and 5th grade, I was part of the Webster Elementary Math Club and was chosen to represent the school at the regional interscholastic Math Olympiad competition.

Why are you interested in joining the Youth Commission?\*

I enjoy taking on leadership roles and planning, organizing, and promoting events! I think it's important for Malibu's youth to be active and have a voice in the community.

Describe your involvement in school activities\*

Currently, I am one of two eighth grade correspondents on the Malibu Middle School yearbook committee, which involves gathering photos and other content for the yearbook. I am also one of three eighth graders participating in an after school journalism program at Malibu Middle School, which contributes content to the Malibu High School newspaper, The Current. This involves pitching and writing articles for The Current. I am also currently part of the seventh and eighth grade orchestra leadership team. I have also participated in various outreach efforts for the Malibu Middle School orchestra, which involved visiting elementary schools in Malibu to perform and promote the orchestra. During the earlier stages of the pandemic, I also participated in a student interface with the architecture planning committee working on the new Malibu High School campus. This involved attending periodic meetings to provide feedback and input on the new MHS Campus Plan. These meetings are still going on, but they are much less frequent. However, I still enjoy participating in them.

Describe any work or volunteer experience you have\*

Due to the pandemic, I haven't done as much volunteer work as I have leadership work, but I would like to do more. I have helped prepare holiday gift packages for young children in need, in third-world countries, during the holiday season. I have also collected toys and food for numerous toy and food drives that took place during middle school and elementary school. Prior to the pandemic, I also volunteered at Webster Elementary, helping out in the classrooms.

Describe any leadership experience \*

I have held many leadership positions during middle and elementary schools, as I always enjoy helping others and taking leadership roles. I have taken on a leadership role by participating on the Malibu Middle School yearbook committee. This involves reaching out to students, faculty and staff to gather photos and other content for the yearbook, pitching and helping design page layouts, and otherwise assisting the committee chairs. I am also currently serving on the leadership team for the seventh and eighth grade orchestra at Malibu Middle School. This involves asking students what they would like to see in the program, and sharing my findings at occasional team meetings. As I mentioned above, I have also participated in various outreach efforts for the orchestra, which involves visiting all of the Malibu elementary schools to perform and generate interest in the orchestra. In both fourth and fifth grade, I participated in the Student Leadership Team at John L. Webster Elementary School. Also in fourth and fifth grade, I participated in Math Club. During fifth grade, I was selected to be part of a small team that represented the school in a larger, regional Math Olympiad. These leadership experiences helped me earn The Malibu Times Citizenship Award in 2018, when I was in fifth grade.

Why are you interested in joining the Youth Commission?\*

I am interested in joining the Youth Commission because I would like to be more active in my community. I have always wanted to do more volunteer work, and I want to make our community a better place in whatever way I can. I also think that it is important for students to have a say in future City events. I like to work hard and succeed in getting projects done, and, looking at the Commission assignments from the past years, these types of activities look interesting to me.

Describe your involvement in school activities\*

At MHS I take the most rigorous classes I can take like AP Chemistry and AP Euro. I am a part of the school's Mock Trial and Model UN teams as well as Operation Smile. Regarding athletics, I am a part of the surf team and I run varsity cross country as well as track. I was also selected to be a part of the WASC committee to work with the staff in order to get the school reaccredited.

Describe any work or volunteer experience you have\*

In the past two years, I got over 60 hours of community service. This includes work from my past year of youth commission as well as volunteering at various events, such as the tree lot and Chili Cook-Off. I am also involved of the WASC committee and was a part of ASB leadership for 2 years (unfortunately it didn't work with my schedule in high school).

Describe any leadership experience \*

Two summers ago I tested into and attended the John Hopkins CTY youth leadership program where I studied anatomy and how to be a leader regarding health. I also won the Optimist Club award for being a leader with regard to positivity among the school and community. I have also previously done 2 years of ASB and have been on the principal's honor roll list (for keeping above a 4.0 GPA) for every semester I have been at MHS.

Why are you interested in joining the Youth Commission?\*

I am interested in continuing to be on the Youth Commission as it provides more opportunities to do volunteer work and contribute to our community. It allows me to give back and help make a better community. Although our community is small, it is very strong and I want to do as much as I can to make it the best it can be. It also provided many more opportunities to do service work, something I really enjoy doing.

Describe your involvement in school activities\*

At Malibu High, I am a part of the school's water polo and swim team, and have been since freshman year. I am apart of two clubs; The Malibu Surf Rider Club and the Children's Hospital Club. I am also the president of Brent's Club where I manage virtual club meetings and communicate community issues.

Describe any work or volunteer experience you have\*

My previous volunteer activities included taking part in Reading Angles (a program where you read to preschoolers), altering at my local church, organizing items for the Mexico Mission, selling and making desserts at charity bake sales, delivering Christmas gifts to a school in the intercity, participating in multiple beach cleanups, and there are a few various other Malibu City activities I participated in by being part of the Youth Commission for the past two years.

Describe any leadership experience \*

Currently, I am apart of my local Younglife club where I host club meetings and virtual team-building activities. In addition, while being apart of Brent's Club, I have had the opportunity to discuss fixing injustices at schools with a state senator. These experiences taught me many beneficial skills, and I look forward to gaining more leadership experience through Youth Commission.

Why are you interested in joining the Youth Commission?\*

While I have joined many of my school's activities, I would like a chance to have a more significant role in the Malibu Community. In serving on the Commission I hope to enhance my management abilities and give a teen's perspective to the city.
