Subject: Homelessness Ad Hoc Committee

RECOMMENDED ACTION: 1) Discuss the establishment of an Ad Hoc Committee to address issues related to homelessness; and 2) Provide direction to staff.

FISCAL IMPACT: There is no fiscal impact associated with the recommended action.

WORK PLAN: This task was included as Item 1(k) in the Adopted Workplan for Fiscal Year 2020-2021.

DISCUSSION: On April 26, 2021, the City Council directed staff to bring back an item at the May 10, 2021 Council meeting to consider establishing an ad hoc committee to address issues related to homelessness. An ad hoc committee is a temporary advisory committee composed solely of less than a quorum of the legislative body that serves a limited or single purpose, that is not perpetual, that will be dissolved once its specific task is completed and is not subject to the Brown Act.

The City currently has an active Homelessness Working Group (Group) that was established in June 2018 from the Homelessness Strategic Plan Advisory Group. The Group meets every two weeks and is charged with overseeing the implementation of the Homelessness Strategic Plan that was adopted by the City Council on June 25, 2018. The City's Public Safety office oversees the Group, which includes representatives from The People Concern, the City's Public Safety Commission, the faith community, the Los Angeles County Sheriff's Department, Community Assistance and Resource Team (CART), Los Angeles County Supervisor Sheila Kuehl's office, Malibu Library, Los Angeles County Department of Mental Health, Malibu community members, and two City Councilmembers.

ALTERNATIVES: Another type of committee the Council could form is a City Council Subcommittee, which has continuing jurisdiction over a subject matter area and would be subject to the Brown Act.

Staff recommends that the City Council discuss the options for a Council homelessness ad hoc committee and provide direction to staff.

ATTACHMENTS: None.
