Subject: Professional Services Agreement with Governmental Financial Services

---

**RECOMMENDED ACTION:** Authorize the Mayor to execute an agreement with Governmental Financial Services (GFS) for assistance with audit preparation and bookkeeping and accounting services, including preparation of the Comprehensive Annual Financial Report and State Controller's Report of Financial Transactions.

**FISCAL IMPACT:** Funding for this agreement is included in the Proposed Budget for Fiscal Year 2021-2022 (Account No. 100-7054-5100-00).

**WORK PLAN:** This item was included as item 6 in the Adopted Work Plan for Fiscal Year 2021-2022.

**DISCUSSION:** GFS has been providing financial services to the City since 2001. GFS principal, Julie Matsumoto, a Certified Public Accountant, performs such tasks as audit preparation, general ledger maintenance and mandatory compliance reporting for the City. GFS has a strong background in governmental accounting services and provides similar services to many other local cities.

The accounting services provided to the City by GFS are in accordance with Governmental Accounting Standards Board (GASB) and Generally Accepted Accounting Principles (GAAP) standards, and cannot be performed with the current staffing level in the Finance Department. Staff recommends retaining the services of GFS to provide supplementary services and continuity to the department during the fiscal year-end and audit season. Additionally, GFS's long history of supporting the Finance Department provides invaluable institutional knowledge as the City continues to recover from the aftermath of the Woolsey Fire, responds to the COVID-

19 Pandemic and manages the funding and required reporting required by these disasters. GFS has submitted a proposal for this purpose that is acceptable to the City. Staff requests the City Council to authorize the agreement.

The Consultant further represents that in performance of this Agreement, no person having any such interest shall be employed by it.

5.1 The Consultant represents that no City employee or official has a material financial interest in the Consultant's business. During the term of this Agreement and/or as a result of being awarded this contract, the Consultant shall not offer, encourage or accept any financial interest in the Consultant's business by any City employee or official.

5.2 If a portion of the Consultant's services called for under this Agreement shall ultimately be paid for by reimbursement from and through an agreement with a developer of any land within the City or with a City franchisee, the Consultant warrants that it has not performed any work for such developer/franchisee within the last 12 months, and shall not negotiate, offer or accept any contract or request to perform services for that identified developer/franchisee during the term of this Agreement.

Dear Ms. Soghor:

At your request, we are providing this proposal for Governmental Financial Services (GFS) to continue providing accounting assistance to the City of Malibu (City) for the period beginning July 1, 2021 through June 30, 2024. The annual contract maximum will be \$46,500.

We anticipate providing services in the following areas:

Fixed-rate project, charged at \$4,500 annually:

- Preparation of the State Controller's Report of Financial Transactions

Hourly services, charged at \$140 per hour:

- Annual assistance in closing the general ledger, including schedule preparation for the auditors; assignments for specific tasks will be coordinated with finance department staff and may include journal entry preparation.
- Preparation of a draft of the following sections of the annual financial statements for auditor review: government-wide statements, fund statements, and notes to the financial statements.
- Assistance in preparing the MD&A, transmittal letter, and portions of the statistical section for the annual financial statements.
