Subject: Community Facilities District No. 2006-1 (Carbon Beach Utility Undergrounding) – Levy of Special Tax for Fiscal Year 2021-2022

RECOMMENDED ACTION: Adopt Resolution No. 21-30 of the City Council of the City of Malibu acting in its capacity as the legislative body of Community Facilities District (CFD) No. 2006-1 of the City of Malibu (Carbon Beach Utility Undergrounding) authorizing the levy of a special tax for Fiscal Year 2021-2022.

FISCAL IMPACT: There is no fiscal impact to the General Fund associated with the recommended action. Bonds are a special obligation of the CFD and are payable and secured by a pledge of special taxes levied on the properties within the CFD. Neither the faith nor credit of the City is pledged to or responsible for the repayment of the bonds. The City collects an annual administration fee to pay for annual costs of administering the CFD. The proposed total special tax levy for Fiscal Year 2021-2022 is \$234,851.32. The proposed levy per parcel is \$5,337.53 as shown in Exhibit A of Attachment 1. This amount is lower than last year's amount of \$5,510.90 due to a surplus of unused delinquency contingency and admin expense budget from last fiscal year. The special tax levy for CFD No. 2006-1 is to be collected by the County of Los Angeles on the consolidated property tax bills. The County of Los Angeles Auditor-Controller has an assigned account number 203.60 for the collection of special taxes for the CFD.

WORK PLAN: This item was not included in the Adopted Work Plan for Fiscal year 2021-2022. This project is part of normal staff operations.

DISCUSSION: CFD No. 2006-1 was formed through the adoption of Resolution Nos. 06-54, 06-55, 07-05, and 07-06 based on petitions from property owners and/or registered voters within the CFD. CFD No. 2006-1 was formed for the purpose of financing the undergrounding of utilities in the Carbon Beach area from about 22108 to 21746 Pacific Coast Highway. Pursuant to said adopted resolutions, a special tax and bond election was held on May 8, 2007, and the City Clerk's office canvassed the results. Measure D was approved 21 to 8 by the registered voters within the CFD, which exceeded the 2/3 majority needed for its passage.

On May 29, 2007, Council, acting as the legislative body of the CFD, adopted Resolution No. 07-24 certifying the election results and directing the recordation of a Notice of Special Tax Lien on the properties within the CFD. Additionally on June 11, 2007, Council adopted Ordinance No. 312, which authorized the levy of the special tax approved by the voters in Measure D to be levied on the property within the CFD for the purposes of paying debt service on bonds issued by the CFD or for paying directly for the costs of the undergrounding facilities and ongoing administrative costs of the CFD.

On November 24, 2008, Council adopted Resolution No. 08-65, authorizing the sale of special tax bonds by the CFD in an amount not to exceed \$5,000,000 to finance construction costs, costs of issuance and a debt service reserve fund. Bonds were sold in December 2008 in the amount of \$4,365,000. The bonds are a special obligation of the CFD and are payable and secured by a pledge of special taxes levied on property within the CFD. Neither the faith nor credit of the City is pledged to or responsible for the repayment of the bonds.

On June 13, 2011, Council adopted Resolution No. 11-25, authorizing a refinancing of the bonds previously authorized by Resolution No. 08-65. The re-issuance and refinancing of the bonds allowed for a lower interest rate and has resulted in a reduced debt service for the remaining bonds. As a result, homeowners within the district realize a savings of several thousand dollars a year.

Each year prior to August 10, for as long as the CFD bonds are outstanding, Council will be presented with a resolution setting the maximum tax rate for such fiscal year and directing the City staff or the City's Special Tax Consultant to convey such information to the County Assessor's Office to be placed on the secured property tax roll. As additional security for the payment of the bonds, the CFD will covenant on behalf of bond owners to conduct judicial foreclosure proceedings against property within the CFD that is delinquent in the payment of special taxes for a specified period of time and in a specified amount.

The levy of special tax for Fiscal Year 2021-2022 for each property within the CFD is listed in the Annual Administration Report for Fiscal Year 2021-2022, which is included as Attachment 2. The total proposed levy for Fiscal Year 2021-2022 is \$234,851.32

pursuant to the adopted Rate and Method of Apportionment (Resolution No. 06-54) and Ordinance No. 312. The proposed levy per parcel is \$5,337.53 as shown in Exhibit A of Attachment 1.

Such rates do not exceed the maximum rates set forth in the Ordinance. After adoption of this Resolution, but no later than August 10th, the Special Tax Consultant shall deliver the certified list of all parcels subject to the special tax levy including the amount of the Special Taxes to be levied on each parcel in Fiscal Year 2021-2022 (the "Certified List") to the City Manager or their designee and thereafter, but in no event later than August 10th, the City Manager or their designee shall cause a certified copy of this Resolution together with the Certified List, to be filed with the County Auditor-Controller. The Certified List may contain tax rates lower than those set forth in Exhibit A if the City Manager determines that such lower rates are adequate to accomplish the purposes of the District in Fiscal Year 2021-2022. The City Manager or their designee and the County Auditor-Controller are hereby authorized to make changes to the Certified List from time to time to correct any error in the amount of the levy on any parcel to make it consistent with the rate and method of apportionment attached to the Ordinance, including, but not limited to, adding any parcels omitted from the Certified List or deleting any parcels included in the Certified List.

SECTION 4. Properties or entities of the state, federal or local governments shall be exempt from the above-referenced and approved Special Taxes only to the extent set forth in the Ordinance and otherwise shall be subject to the Special Taxes consistent with the provisions of Section 53317.3 of the Act in effect as of the date of adoption of this Resolution.

SECTION 5. All of the collections of the Special Taxes shall be used only as provided for in the Act and Resolution No. 07-05. The Special Taxes shall be levied only so long as needed to accomplish the purposes described in Resolution No. 07-05.

SECTION 6. The Special Taxes shall be collected in the same manner as ordinary ad valorem taxes are collected and shall be subject to the same penalties and the same procedure, sale and lien priority in cases of delinquency as provided for ad valorem taxes as such procedure may be modified by law or this City Council from time to time.

SECTION 7. As a cumulative remedy, if any amount levied as the Special Taxes for payment of interest or principal on any outstanding bonds of the District (the "Bonds"), together with any penalties and other charges accruing under this Resolution, are not paid when due, the City Council may, not later than four years after the due date of the last installment of principal on the Bonds, order that the same be collected by an action brought in the superior court to foreclose the lien of such Special Taxes.

SECTION 8. The City Manager or their designee is hereby authorized to transmit a certified copy of this Resolution, together with the Certified List, to the County Assessor and/or the Treasurer-Tax Collector, together with other supporting documentation as may be required to place the Special Taxes on the secured property tax roll for Fiscal Year 2021-2022 and for the collection of the Special Taxes in the manner of ad valorem property taxes and to perform all other acts which are required by the Act, the Ordinance, or by law or deemed necessary by the City Manager in order to accomplish the purpose of this Resolution, the Act or Bond covenants.

SECTION 9. This Resolution shall be effective upon its adoption.

SECTION 10. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

INTRODUCTION

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 2006-1 ("CFD No. 2006-1") of the City of Malibu (the "City") resulting from \$4,365,000 Special Tax Bonds (the "Prior Bonds") issued on December 23, 2008. The Prior Bonds were refunded on July 14, 2011 with the issuance of the CFD No. 2006-1 Special Tax Refunding Bonds, Series 2011 (the "Prior Refunding Bonds") in the aggregate principal amount of \$3,900,000 and other available funds. The Prior Refunding Bonds were refunded on February 25, 2016 with the issuance of the CFD No. 2006-1 Special Tax Refunding Bonds, Series 2016 (the "Refunding Bonds") in the aggregate principal amount of \$3,520,000 and other available funds. The Refunding Bonds are both secured and repaid through the annual levy and collection of special taxes in the CFD.

CFD No. 2006-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. CFD No. 2006-1 was authorized to issue up to \$5,000,000 in bonds. The proceeds of the Prior Bonds were used to finance the undergrounding of existing overhead utilities.

In calculating the special tax liability for fiscal year ("FY") 2021-2022, this report recaps the results of the previous fiscal year's levy, including delinquencies and the financial obligations of the current fiscal year.

This report is organized into the following sections:

- Section I – Background;**
- Section II – Special Tax Requirement;**
- Section III – Special Tax Rates;**
- Section IV – Prior Year Levy and Delinquencies;**
- Section V – Funds and Accounts;**

I BACKGROUND

A CFD Location and Boundaries

CFD No. 2006-1 (commonly known as "Carbon Beach Undergrounding") is located within the City along the ocean side of Pacific Coast Highway roughly at Carbon Canyon Road along Carbon Beach and consists of 44 taxable parcels which contain completed oceanfront residential units. A copy of the boundary map for CFD No. 2006-1 is included in Appendix A.

B CFD Formation

The City Council of the City of Malibu (the "City Council"), acting on behalf of CFD No. 2006-1, adopted Resolution No. 06-54 on August 14, 2006 stating its intent to establish CFD No. 2006-1 and to authorize the levy of special taxes therein. On the same date, the City Council adopted Resolution No. 06-55 stating its intent to have CFD No. 2006-1 incur bond indebtedness in an amount not to exceed \$5,000,000.

Following a noticed public hearing on January 22, 2007, the City Council, again acting on behalf of CFD No. 2006-1, adopted Resolution Nos. 07-05 and 07-06 which established CFD No. 2006-1, authorized the levy of a special tax, determined the necessity to incur bonded indebtedness in an amount not to exceed \$5,000,000, and called an election on the proposition of incurring bonded indebtedness, levying a special tax and setting an appropriations limit.

On May 8, 2007, an election was held within CFD No. 2006-1 in which the registered voters therein approved the proposition authorizing the issuance of bonds in an amount not to exceed \$5,000,000. On May 29, 2007, the City Council, acting as the legislative body of CFD No. 2006-1, adopted Resolution 07-24 certifying the results of the election and introduced Ordinance No. 312 (the "Ordinance") which provides for the levying of the special tax. The Ordinance was adopted on June 11, 2007. A Notice of Special Tax Lien for CFD No. 2006-1 was recorded with the County of Los Angeles as Instrument No. 20071384817 on June 7, 2007.

C CFD Bonded Indebtedness

The Prior Bonds in the amount of \$4,365,000 were issued with a date of December 23, 2008 for CFD No. 2006-1. On July 14, 2011, the Prior Bonds were refunded with issuance of the \$3,900,000 Prior Refunding Bonds. On March 1, 2012, the Prior Refunding Bonds in the amount of \$205,000 were retired with the balance remaining in the Project Fund after all the CFD improvements were completed.

On February 25, 2016, the Prior Refunding Bonds were refunded with issuance of the \$3,520,000 Refunding Bonds. Final maturity of the Refunding Bonds is September 1, 2039. Current debt service schedule for the Refunding Bonds is attached hereto as Appendix B.

D Facilities Financed by CFD No. 2006-1

Incidental expenses authorized to be financed with the proceeds of the Prior Bonds include (i) the cost of planning and designing the Improvements to be financed, including the cost of environmental evaluations thereof; (ii) any other expenses incidental to the construction, completion and inspection of the authorized work; and (iii) the costs associated with the formation of CFD No. 2006-1, issuance of Prior Bonds, determination of the amount of taxes, collection of taxes, payment of taxes, or costs otherwise incurred in order to carry out the authorized purposes of CFD No. 2006-1.

V FUNDS AND ACCOUNTS

A Description of Funds and Accounts

The bond indenture for the Refunding Bonds (the "Indenture") established a Special Tax Fund, Rebate Fund, Acquisition and Cost of Issuance Fund, and Surplus Fund. Within the Special Tax Fund five additional accounts were created: the Interest Account, Principal Account, Reserve Account, Redemption Account, and Administrative Expense Account. The following presents a description of the funds and accounts relating to CFD No. 2006-1 created pursuant to the Indenture.

A.1 Special Tax Fund

Monies received from the collection of special taxes will be deposited, as received by CFD No. 2006-1, in the Special Tax Fund. All money in the Special Tax Fund will be transferred by the Trustee, in the following order of priority, to:

- 1) The Administrative Expense Account of the Special Tax Fund up to the Administrative Expenses Cap of \$25,000;
- 2) The Interest Account of Special Tax Fund;
- 3) The Principal Account of Special Tax Fund;
- 4) The Redemption Account of Special Tax Fund;
- 5) The Reserve Account of Special Tax Fund;
- 6) The Administrative Expense Account of Special Tax Fund to the extent Administrative Expenses exceed the Administrative Expense Cap;
- 7) The Rebate Fund; and
- 8) The Surplus Fund.

Money received from the prepayment of special taxes will be deposited into the Redemption Account of the Special Tax Fund and applied towards the payment of the principal of, premium, and/or interest on the Refunding Bonds to be redeemed with such prepayment.

A.2 Reserve Account of Special Tax Fund

The Reserve Account was initially funded with the Reserve Requirement of \$211,050.00. In the event that special tax receipts are insufficient to pay debt service, money may be withdrawn from the Reserve Account and used for payment of principal and interest on the Refunding Bonds as follows:

- 1) When the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor;
- 2) In connection with an optional redemption or a special redemption of Refunding Bonds following the prepayments of special taxes; and

- 3) When the balance therein equals the principal and interest due on the Refunding Bonds to and including maturity.

Whenever the balance in the Reserve Account is below the Reserve Requirement, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which CFD No. 2006-1 elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. Moneys in the Reserve Account in excess of the Reserve Requirement that are not transferred in accordance with the preceding provisions shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred to the Project Account of the Acquisition and Construction Fund until all amounts have been disbursed from the Acquisition and Construction Fund (or such fund is closed) and thereafter to the Interest Account of the Special Tax Fund.

A.3 Surplus Fund

The amount remaining in the Special Tax Fund after the preceding transfers required by the Indenture have been made, excluding the amount to be retained to reduce the annual special tax levy, will be transferred to the Surplus Fund. All money in the Surplus Fund will be held by the Trustee and will be applied, used and withdrawn only for the purposes authorized in the Indenture, including (i) transfers to the Interest Account, the Principal Account, or the Redemption Account of the Special Tax Fund to pay the principal of, including Sinking Fund Payments, premium, if any, and interest on the Refunding Bonds in the event that moneys in the Special Tax Fund and the Reserve Account are insufficient therefor, (ii) to the Reserve Account of the Special Tax Fund in order to replenish the Reserve Account to the Reserve Requirement, (iii) to the Administrative Expense Account of the Special Tax Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Account are insufficient to pay Administrative Expenses, (iv) for any other lawful purpose of CFD No. 2006-1.

B Account Balances

The funds and accounts relating to CFD No. 2006-1 established by the Indenture have the following balances:

B. MAXIMUM SPECIAL TAX

The Maximum Special Tax for each Assessor's Parcel of Taxable Property shall be \$9,548.62.

1. Subdivision of Assessor's Parcel

In the event any Assessor's Parcel of Taxable Property is subdivided, the Maximum Special Tax applicable to the Assessor's Parcels created as a result of the subdivision shall be \$9,548.62. Notwithstanding the preceding, no Special Tax shall be levied against any Assessor's Parcel classified as Exempt Property.

2. Consolidation of Assessor's Parcels

The Maximum Special Tax for any Assessor's Parcel created by the consolidation of two or more Assessor's Parcels shall be equal to the sum of the Maximum Special Tax applicable to the Assessor's Parcels which were consolidated.

C. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2007-2008 and for each following Fiscal Year, the Council shall determine the Special Tax Requirement. The Special Tax shall be levied in equal percentages on each Assessor's Parcel of Taxable Property, up to the applicable Maximum Special Tax, to satisfy the Special Tax Requirement. Notwithstanding the preceding, under no circumstances will the Special Taxes levied against any Assessor's Parcel used as a private residence be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel or Assessor's Parcels within CFD No. 2006-1 by more than ten percent (10%) per Fiscal Year.

D. TERM

The Maximum Special Tax shall not be levied after Fiscal Year 2042-2043.

E. APPEALS

Any property owner who is current on any and all CFD No. 2006-1 Special Taxes and feels that the amount of the Special Tax levied on his Assessor's Parcel is in error may submit a written appeal to CFD No. 2006-1. The CFD Administrator shall review the appeal, and if he or she concurs, shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Assessor's Parcel(s). No refunds of previously paid Special Taxes shall be made. The Council may interpret this Rate and Method of Apportionment of Special Tax for purposes of clarifying any ambiguity and make determinations relative to the annual administration of the Special Tax and any landowner appeal. Any decision of the Council shall be final and binding as to all persons.

F. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 2006-1 may collect Special Taxes at a different time or in a different manner as determined by the Council, if necessary to meet its financial obligations.

G. PREPAYMENT OF SPECIAL TAX

1. Prepayment in Full

Following the issuance of the Bonds, The Maximum Special Tax for any Assessor's Parcel may be prepaid and permanently satisfied as described herein, provided that a prepayment may be made only if at the time of the prepayment there are no delinquent Special Taxes with respect to such Assessor's Parcel. An owner of an Assessor's Parcel intending to prepay the Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel and the date through which the amount any such prepayment shall be valid.

The "Prepayment" shall be an amount equal to the sum of (1) Principal, (2) Premium, (3) Defeasance, and (4) Fees minus the Reserve Fund Credit, where the terms "Principal," "Premium," "Defeasance," "Fees," and "Reserve Fund Credit" have the following meanings:

"Principal" means the principal amount of Bonds to be redeemed and equals the quotient derived by dividing (a) the applicable Maximum Special Tax for the Assessor's Parcel intending to prepay by (b) the aggregate Maximum Special Taxes on all Taxable Property within CFD No. 2006-1 (and excluding from (b) any Maximum Special Taxes which have previously been prepaid), and multiplying the quotient by the principal amount of Bonds issued and outstanding.

"Premium" means an amount equal to the Principal multiplied by the applicable redemption premium, if any, for the Bonds so redeemed with the

proceeds of any such Prepayment.

"Defeasance" means an amount equal to the amount needed to pay interest on the Principal to be redeemed until the earliest redemption date for the outstanding Bonds. Credit shall be given for any Special Tax heretofore paid and which will not be needed for the Special Tax Requirement.

"Fees" equal the fees and expenses of CFD No. 2006-1 directly related to calculating the Prepayment and redeeming Bonds.

"Reserve Fund Credit" shall equal the lesser of (i) the expected reduction in the applicable reserve fund requirement (as defined in the Indenture), if any, following the redemption of Bonds from proceeds of the prepayment or (ii) the amount derived by subtracting the new reserve fund requirement in effect after the redemption of Bonds from the balance in the reserve fund (as such term is defined in the Indenture) on the prepayment date, but in no event shall such amount be less than zero.

The sum of the amounts calculated in the preceding steps shall be paid to CFD No. 2006-1 and shall be used to pay and redeem Bonds in accordance with the Indenture and to pay the Fees. Upon the payment of such Prepayment to CFD No. 2006-1, the obligation to pay the Special Tax for such Assessor's Parcel shall be deemed to be permanently satisfied, the Special Tax shall not be levied thereafter on such Assessor's Parcel, and the CFD Administrator shall cause notice of cessation of the Special Tax for such Assessor's Parcel to be recorded within 30 working days of receipt of the Prepayment.

2. Prepayment in Part

Following the issuance of the Bonds, the Maximum Special Tax for any Assessor's Parcel may be prepaid in part as described herein, provided that a prepayment may be made only if at the time of the prepayment there are no delinquent Special Taxes with respect to such Assessor's Parcel. An owner of an Assessor's Parcel intending to partially prepay the Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel and the date through which the amount any such prepayment shall be valid.

The amount of the "Partial Prepayment" shall be computed pursuant to Section G.1 above substituting the portion of the Maximum Special Tax to be prepaid for the Maximum Special Tax applicable to the Parcel when computing Principal. Upon payment of the Partial Prepayment, the CFD Administrator shall cause a notice of reduction of the Special Tax for such Assessor's Parcel to be recorded within 30 working days of receipt of such Partial Prepayment.

Notwithstanding the foregoing, no Prepayment or Partial Prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied in CFD No. 2006-1 pursuant to Section B after the proposed prepayment is at least the sum of (i) the estimated

Administrative Expenses and (ii) one hundred ten percent (110%) of the annual debt service for the Bonds, taking into account the Bonds to remain outstanding after such Prepayment or Partial Prepayment.
