

Council Agenda Report

To: Mayor Farrer and the Honorable Members of the City Council

Prepared by: Yolanda Bundy, Environmental Sustainability Director

Approved by: Reva Feldman, City Manager

Date prepared: June 5, 2020 Meeting date: June 22, 2020

Subject: Collection of Fees for the Implementation of the California Integrated Waste Management Act within the Malibu Garbage Disposal District

RECOMMENDED ACTION: 1) Conduct the Public Hearing; and 2) Adopt Resolution No. 20-29 authorizing collection on the County Tax Roll of a fee from residential and commercial premises for the cost of preparing, adopting and implementing the City's Source Reduction and Recycling Element and Household Hazardous Waste Element imposed by Resolution No. 03-30.

FISCAL IMPACT: These fees will generate approximately \$17,435 to the Solid Waste Management Fund (207-0000-3434). This action does not increase the fee imposed and collected on the subject properties. Revenue in the amount of \$18,000 was included in the Proposed Budget for Fiscal Year 2020-2021.

WORK PLAN: This item was not included in the Adopted Work Plan for Fiscal Year 2020-2021. This is part of normal staff operations.

DISCUSSION: In 1993, the City Council approved a policy for the reduction and diversion of solid waste from local landfills in conjunction with the requirements of the California Integrated Waste Management Act of 1989, also called AB 939. In order to fund the costs of the City's waste reduction and recycling program, the City Council adopted Resolution No. 93-169, establishing fees of \$0.60 per single-family household per month, \$0.50 per cubic yard disposed per commercial site per month, and \$7.20 per single-family household within the Malibu Garbage Disposal District (MGDD) per year, for all properties within city limits. The resolution authorized the City to collect this fee and delegated the solid waste hauling companies to assess this fee in conjunction with the cost for solid waste collection services.

Solid waste collection for portions of Malibu within the MGDD is administered by the County of Los Angeles, which assesses properties directly for hauling and disposal costs

on an annual basis. Property owners in this district pay the fee authorized by Resolution No. 93-169 to the City, plus the County's administrative fee through the County Assessor's Office tax roll. Customers outside of this district pay the solid waste fee directly to their hauler, who then reimburses the City on a quarterly basis.

In June 2003, two public meetings were held to inform the community of this process. Staff received no objections to the collection of the fee in this manner and City Council adopted Resolution No. 03-30, authorizing this fee to be assessed on the tax rolls annually. This process is now repeated every new fiscal year as required by the County.

The fees for the MGDD must be placed on the property tax rolls for Fiscal Year 2020-2021 by August 10, 2020. Resolution No. 20-29 authorizes the County to collect the fees along with the property tax. The total to be collected is detailed in Attachment 2, subject to any minor parcel adjustments by the County Assessor. Residents outside the MGDD will continue to pay their fee directly to the hauler.

SECTION 7. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.
