Mark Wetton Financial - mortgage consultant 2000-2010

as a financial services professional I provided hundreds of  
financing for hundreds of real estate transactions  
and processed permits with the city of malibu on  
my own projects. I have a strong working knowledge  
of land use issues in malibu.

Qualifications: Please provide detailed information which demonstrates professional skills and talents applicable to this Commission / Committee.

I currently run a family office and manage investment real estate some of which is within the city of Malibu. Between this and my lending experience in Malibu I have been compelled to stay abreast of local land use issues, laws + code.

Role and Issues of Commission / Committee: Please provide detailed information which demonstrates your opinion as to the role of a City Commissioner / Committee Member and issues you feel need to be addressed by Malibu which relate to this Commission / Committee.

The role of a commissioner is to review projects + issues that come under the purview of the planning department and determine whether the project conforms to existing code and act as an advisory to the City Council. Councillors should review projects keeping in mind the General Plan and all overlays. Variances to existing codes should be scrutinized with the utmost care and in consideration of the City's Mission Statement.
