- The Commission shall be comprised of no less than seven and no more than twenty-five members
- All applicants are required to participate in an interview process in order to be considered for appointment to the Commission

- Once the interview process is completed, successful candidates would be presented at a Regular City Council meeting for appointment to the Commission by a majority vote of the Council at large

The application period for the 2022-2023 Youth Commission closed on Thursday, March 31, 2022, yielding 21 complete applications. Of the 21 completed applications, 17 are current Commissioners, three have not served on the Commission, and one is a former Commissioner.

If yes, how many years did you serve on the Commission?

Describe your involvement in school activities *

Being involved in my school has been an essential part of my time in high school. This past year I have been a member of the current events club, book club, math and science club, women's coalition, and student senate. Being a student senate member, I have actively been involved with coordinating after-school activities, dances, and school events. This past year as more opportunities have become available, I have helped collaborate with my school's administrators in providing resources for students to get more involved with extracurricular activities in the Los Angeles area. Fusion Academy does not have sports teams, so I have focused on collaborative projects throughout my three years there. In my sophomore year, I proposed that the school should have more open discussions about mental health, which I have been working on since then. This Summer and into the next school year, I am starting a mental health coalition. Although this is in the works, I have put a lot of work into planning the coalition, so I thought it was worth mentioning.

Describe any work or volunteer experience you have*

Since I was thirteen, I have tutored and babysat various kids in Malibu, which started my love of helping others. I am also a certified nursing assistant, and during training, I had to undergo 180 hours of work experience to get my certification in addition to the state test. This past year I have also prioritized volunteering. In the Fall, I got accepted to be a volunteer for Teen Line, a hotline for teens by teens. I went through 60 hours of training and have been a listener since December of 2021. More recently, I went through a volunteer orientation to be a volunteer at Los Robles Hospital in Thousand Oaks, which I plan to become more involved in during the Spring and Summer.

Describe any leadership experience *

I served as the research project leader through the Aspiring Scholars Directed Research Program. We wrote a paper on the comprehensive review of therapeutic treatments for amyotrophic lateral sclerosis, which we are currently awaiting publication in a student journal. I also interned for Creative Visions for a year and would work on coordination and collaboration. I gave a presentation on behalf of Creative Visions on creative activism through science at the YOUNGA conference. Toward the end of my internship, I served as a senior intern. Additionally, during my time at Our Lady of Malibu, I served as a treasurer and student body president of the student council. At Fusion, I co-head the student senate meetings, and as I mentioned, I will be the chair and founder of the mental health coalition coming this Summer.

Why are you interested in joining the Youth Commission?*

I am interested in joining the youth commission for the second year because I can be more engaged and help advocate for the younger people in our community. I've lived in Malibu my whole life, and as I've grown as a person, I've been more aware of the challenges we've faced as a community, from the homeless crisis, pollution, rising sea levels, etc. When I went into a high school outside of Malibu, I felt disconnected from the place I call home. When I heard about the Youth Commission a little over a year ago, I saw it as the perfect opportunity for me to get reintegrated into the community. I am proud to have served on the commission for this past year and our accomplishments. However, being virtual imposed a challenge of being able to connect and collaborate to our potential. This next year, I am excited to be in person with my peers and touch on issues post-pandemic such as mental health awareness and reestablishing connectivity among the residents of Malibu.

Describe your involvement in school activities *

I participated in the after-school journalism class at Malibu Middle School which created content for the Malibu High School newspaper, The Current. I have had several items published in The Current. I was also an 8th grade correspondent on the Malibu Middle School Yearbook Committee. This involved gathering quotes, photographs, and other content for multiple spreads in the yearbook, as well as brainstorming ideas and developing and editing photo layouts. Pre-pandemic, I traveled with my choir to all of the Malibu elementary schools for a choir outreach program to generate interest in the Middle School choir. I participated in the MHS Campus Plan Student Interface, which involved periodic meetings to gather student feedback and input on different architectural proposals and models for the new campus. I was a player on the MHS JV Soccer team for the 2021-2022 season. I was a part of the 2021 MHS Cheer Team, and helped reactivate the cheer team after a multi-year hiatus at MHS, and performed cheers at MHS football games. I am a soprano in the MHS High School Chorale, which takes part in live concerts and other musical performances. I am currently the only freshman involved with the 2022 High School Musical, You're A Good Man, Charlie Brown, I play The Little Red-Haired Girl, the object of Charlie Brown's affections who censors herself to the point of not speaking at all to avoid driving Charlie Brown and his affections away with her true personality.

Describe any work or volunteer experience you have*

I have helped assemble holiday gift and care packages for underprivileged children and families overseas. I have also collected toys and food items for underprivileged families in toy and food drives. Pre-pandemic, I volunteered my time as a classroom helper at Webster Elementary School. I volunteered to help make go-karts for children with mobility issues as a part of GoBabyGo. I volunteered at the 2021 Malibu Elementary Beautification event, planting native species at local elementary school.

Describe any leadership experience *

I have taken on a leadership role in my choir class, helping students and teachers alike with the various choir performances and activities, such as using video editing software to create performance videos and outreach videos. In 8th grade, I took on a leadership role through my involvement in the Malibu Middle School yearbook committee, including reaching out to peers/teachers/administrators to gather photos and other content, proposing ideas and spreads, and seeking out additional responsibilities from the committee chairs. I was involved in student council in elementary school, which included frequent meetings and event planning and promotion. In 4th and 5th grade, I was part of the Webster Elementary Math Club and was chosen to represent the school at the regional interscholastic Math Olympiad competition. I am head of Public Relations in the MHS Zanmi Club, a club that aids in handcrafts sales to benefit impoverished women in Haiti. In 2021 and 2022, I have been a part of Leaders in Training, at the Boys & Girls Club of Malibu. This is a leadership program focused on mentorship, community service, and personal development. This peer-led leadership group is passionate about the well-being of the environment and respect for our planet.

Why are you interested in joining the Youth Commission?*

I enjoy taking on leadership roles and planning, organizing, and promoting events! I think it's important for Malibu's youth to be active and have a voice in the community. I also really enjoyed serving on the Youth Commission during the 2021-2022 term and would like to continue my service.

Describe your involvement in school activities *

I am the current president of the Zanmi Club at MHS. The Zanmi club works to sell baskets made by women in the poorest part of Haiti to improve their lives and the lives of their children and families. Previously, I was one of two eighth grade correspondents on the Malibu Middle School yearbook committee, which involved gathering photos and other content for the yearbook. I was also one of three eighth graders participating in an after school journalism program at Malibu Middle School, which contributed content to the Malibu High School newspaper, The Current. This involved pitching and writing articles for The Current. I was also part of the seventh and eighth grade orchestra leadership team, and I am now the freshmen class representative for the high school orchestra leadership team. I have also participated in various outreach efforts for the Malibu Middle and High School orchestras, which involved visiting elementary schools in Malibu to perform and promote the orchestras. During the earlier stages of the pandemic, I also participated in a student interface with the architecture planning committee working on the new Malibu High School campus. This involved attending periodic meetings to provide feedback and input on the new MHS Campus Plan. These meetings are still going on, but they are much less frequent. However, I still enjoy participating in them.

Describe any work or volunteer experience you have*

While I haven't done a ton of volunteer work, I have contributed to a small variety of different programs. At the beginning of the school year, I participated in a GoBabyGo program through the BGCM. This program involved building and adapting cars for children with mobility struggles. This was a very rewarding experience as the children seemed very happy to be able to move on their own. Shortly after that, I participated in the beautification of the Malibu Elementary campus, which involved spending many hours planting varieties of plants around the school yard to bring the campus to life and add some color. I also participated in the clean up of Malibu Bluffs Park with the Youth Commission last year, which was a very rewarding experience to see the park get cleaned. In the past, I have also helped prepare holiday gift packages for young children in need, in third-world countries, during the holiday season. I have also collected toys and food for numerous toy and food drives that took place during high school, middle school and elementary school. Prior to the pandemic, I also volunteered at Webster Elementary, helping out in the classrooms.

Describe any leadership experience *

Like I previously mentioned, I am the current president of the Zanmi club at MHS. This involved organizing meetings, scheduling club photo times for the yearbook, and much more. In the past, I have also held many leadership positions during middle and elementary schools, as I always enjoy helping others and taking leadership roles. Last year, I took on a leadership role by participating on the Malibu Middle School yearbook committee. This involved reaching out to students, faculty and staff to gather photos and other content for the yearbook, pitching and helping design page layouts, and otherwise assisting the committee chairs. I also served on the leadership team for the seventh and eighth grade orchestra at Malibu Middle School, and I now serve on the leadership team for the high school orchestra. This involves asking students what they would like to see in the program, and sharing my findings at occasional team meetings. As I mentioned above, I have also participated in various outreach efforts for the orchestra, which involved visiting all of the Malibu elementary schools to perform and generate interest in the orchestra. In both fourth and fifth grade, I participated in the Student Leadership Team at John L. Webster Elementary School. Also in fourth and fifth grade, I participated in Math Club. During fifth grade, I was selected to be part of a small team that represented the school in a larger, regional Math Olympiad. These leadership experiences helped me earn The Malibu Times Citizenship Award in 2018, when I was in fifth grade.

Why are you interested in joining the Youth Commission?*

I am interested in joining the Youth Commission because I would like to be more active in my community. I have always wanted to do more volunteer work, and I want to make our community a better place in whatever way I can. I also think that it is important for students to have a say in future City events. I like to work hard and succeed in getting projects done, and I really enjoyed my time serving on the 2021-2022 Youth Commission.

Have you previously served on the Commission?*

☒

Yes

☐

No

If yes, how many years did you serve on the Commission?

Describe your involvement in school activities *

At Malibu High School I am enrolled in all honors courses and am a student-athlete as I play junior varsity soccer and varsity softball. I am also involved in several student clubs as I am the co-president and head of marketing and sales for Zanmi, a community service club that sells crafts made by the women of the upper plateau of Haiti. All of the profits we make go directly to the women, and so far, we have been able to raise enough money to supply their community with gas-range stovetops, an ambulance, a clean water supply, and the means to send their children to school. Additionally, I am the co-president and founder of Positive Poets, a community service club that raises money to buy writing supplies for underprivileged communities. Furthermore, I participate in the Malibu High symphony orchestra and mock trial.

Describe any work or volunteer experience you have*

One volunteer experience that I have had was working with GoBabyGo, a non-profit organization that provides retrofitted toy cars to young children with disabilities so that they can experience mobility. Working with others to retrofit and wire the cars taught me so much about collaborative leadership and teamwork. The best part of the experience was getting to meet the kids receiving the cars and seeing how happy it made them. I have also gained a lot of volunteer experience through the Zanmi and Positive poets which I spoke of previously. Additionally, I participate in Leaders in Training, a group of students at my school that meets every other Thursday to gain leadership skills and engage in community service learning. Furthermore, I volunteer as an assistant coach and umpire for Malibu Little League Softball. This experience has allowed me to give back to Malibu Little League which allowed me to discover my love for the sport and keep the legacy of girl's softball going through the younger generations. I also enjoy being able to gain experience in teaching and working with kids.

Describe any leadership experience *

Being the co-president of two community service clubs, and the head of marketing and sales for one, I have been able to gain a lot of experience in directing all areas of a non-profit organization. Some key areas that I have gained experience in through Zanmi and Positive Poets include leadership in labor, fundraising, advertising, and sales. Playing sports for my school has also allowed me to grow as a leader as I have learned the importance of teamwork and whole group input. Additionally, serving on my school's site council as one of two student representatives on a board of adults, I have learned how to advocate for youth, speak up, and uphold proper council decorum.

Why are you interested in joining the Youth Commission?*

I am interested in joining the Youth Commission as my past two years serving have allowed me to grow exponentially as a leader and an active member of our community. This council has kept me informed about important events and decisions taking place in Malibu, taught me about the inner workings of municipal governments, and allowed me to give back to the city which has done so much for me.

Meeting Schedule

If you have any prior commitments that may prevent you from attending Youth Commission meetings, please list them below. Per the Youth Commission absence policy, Commissioners may miss a maximum of three meetings in a twelve-month period before their seat is vacated.

Have you previously served on the Commission?*

☒

Yes

☐

No

If yes, how many years did you serve on the Commission?

Describe your involvement in school activities *

At MHS I take the most rigorous classes I can take. I have a 4.0 GPA and am currently taking 5 APs. I am a part of the school's Mock Trial and Model UN teams as well as the baking club and Operation Smile. I am also a part of the Surfrider Foundation. Regarding athletics, I am a part of the surf team and I run varsity cross country as well as track. I was also selected to be a part of the WASC committee to work with the staff in order to get the school reaccredited.

Describe any work or volunteer experience you have*

In the past year, I got over 180 hours of community service. This includes work from my past year of youth commission as well as volunteering at various events, such as the tree lot and Chili Cook-Off. I volunteered over the summer through the LA County Lifeguard Cadet Program, which I had to pass a rigorous swim test and exam to join. I am also involved in the WASC committee and was a part of ASB leadership for 2 years (unfortunately it didn't work with my schedule this year).

Describe any leadership experience *

This past summer I tested into and attended the John Hopkins CTY youth leadership program where I studied anatomy and how to be a leader regarding health. I also won the Optimist Club award for being a leader with regard to positivity among the school and community. I have also previously done 2 years of ASB and have been on the principal's honor roll list (for keeping above a 4.0 GPA) for every semester I have been at MHS. Through my cadet program, I mentored Junior Lifeguards and received my Open Water Rescuer Certification.

Why are you interested in joining the Youth Commission?*

I am interested in continuing to be on the Youth Commission as it provides more opportunities to do volunteer work and contribute to our community. It allows me to give back and help make a better community. Although our community is small, it is very strong and I want to do as much as I can to make it the best it can be. It also provided many more opportunities to do service work, something I really enjoy doing.

Describe your involvement in school activities *

I am a editor and frequent contributor of my school newspaper, the Loyalist, and I actively participate in the Peace and Justice Coalition, an on-campus club that collaborates with neighboring high schools to provide resources and services to disenfranchised and underrepresented groups around LA, such as previously imprisoned people and the homeless population.

Describe any work or volunteer experience you have*

I've been serving on the Youth Commission for 4 years, with 2021-2022 being my 4th year. I've participated in numerous City-sponsored and Youth Commission-led events such as the Tiny Tot Olympics, numerous beach clean-ups in Malibu, the Navajo People's Day event, and several Halloween related events such as the yearly haunted maze.

Describe any leadership experience *

As an editor for the Loyalist, my role with my team involves being a constant beacon of communication and help for both my fellow editors and our contributors, as I lead in my own way to be as beneficial as I can to my peers.
