

Council Agenda Report

To: Mayor Farrer and the Honorable Members of the City Council

Prepared by: Robert DuBoux, Public Works Director/City Engineer

Approved by: Reva Feldman, City Manager

Date prepared: June 24, 2020 Meeting date: July 13, 2020

Subject: Dume Drive and Fernhill Drive Speed Humps

RECOMMENDED ACTION: 1) Receive recommendation from the Public Safety Commission on placing speed humps on Dume Drive and on Fernhill Drive between Grayfox Street and Cliffside Drive; and 2) Provide direction to staff and if, the direction is to proceed with the placement of speed humps on Dume Drive and on Fernhill Drive between Grayfox and Cliffside Drive, add this project to the Work Plan for Fiscal Year 2020-2021.

FISCAL IMPACT: Funding for this project is available in the Adopted Budget for Fiscal Year 2020-2021 in Account No. 310-9002-7901 (Annual Street Overlay).

WORK PLAN: This item was not included in the Adopted Work Plan for Fiscal Year 2020-2021.

DISCUSSION: At the January 8, 2020 Public Safety Commission meeting, staff provided the Commission a presentation regarding the installation of speed humps in the Point Dume neighborhood. Speed humps are a traffic calming device used to slow traffic speeds on residential roads to discourage excessive speeding. The following streets in the Point Dume Neighborhood currently have speed humps:

- Wildlife Road south from Fernhill Drive
- Portshead Road from Pacific Coast Highway to Boniface Drive
- Selfridge Drive
- Grayfox south from Fernhill Drive
- Zumirez Drive

At the conclusion of the staff presentation, the Commission recommended the installation of speed humps on Dume Drive and Fernhill Drive between Grayfox Street and Cliffside Drive.

Due to the global pandemic, the recommendation from the Public Safety Commission was not presented to the Council.

Staff is seeking direction from Council regarding the installation of the speed humps on Dume Drive and Fernhill Drive between Grayfox Street to Cliffside Drive. If Council elects to move forward with these locations, staff can include this work with the upcoming Annual Street Maintenance project.
