Subject: Community Facilities District No. 2006-1 (Carbon Beach Utility Undergrounding) – Levy of Special Tax for Fiscal Year 2022-2023

---

**RECOMMENDED ACTION:** Adopt Resolution No. 22-29 of the City Council of the City of Malibu acting in its capacity as the legislative body of Community Facilities District (CFD) No. 2006-1 of the City of Malibu (Carbon Beach Utility Undergrounding) authorizing the levy of a special tax for Fiscal Year 2022-2023.

**FISCAL IMPACT:** There is no fiscal impact on the General Fund associated with the recommended action. Bonds are a special obligation of the CFD and are payable and secured by a pledge of special taxes levied on the property within the CFD. Neither the faith nor credit of the City is pledged to or responsible for the repayment of the bonds. The City collects an annual administration fee to pay for annual costs of administering the CFD. The proposed total special tax levy for Fiscal Year 2022-2023 is \$237,219.40. With the exception of Assessor's Parcel 4451-005-036, the proposed levy per parcel is \$5,391.35 as shown in Exhibit A of Attachment 1. Assessor's Parcel 4451-005-036 is the consolidation of Assessor's Parcels 4451-005-022 and 4451-005-023, and therefore the applicable levy is \$10,782.70. This amount is higher than last year's amount of \$5,337.53 due to higher scheduled annual debt service on the bonds in 2023 as compared to 2022, a higher delinquency contingency corresponding to the higher annual debt service, and a lower projected fiscal year end surplus of funds. The special tax levy for CFD No. 2006-1 is to be collected by the County of Los Angeles on the consolidated property tax bills. The County of Los Angeles Auditor-Controller has an assigned account number 203.60 for the collection of special taxes for the CFD.

WORK PLAN: This item was not included in the Adopted Work Plan for Fiscal year 2022-2023. This project is part of normal staff operations.

DISCUSSION: CFD No. 2006-1 was formed through the adoption of Resolution Nos. 06-54, 06-55, 07-05, and 07-06 based on petitions from property owners and/or registered voters within the CFD. CFD No. 2006-1 was formed for the purpose of financing the undergrounding of utilities in the Carbon Beach area from about 22108 to 21746 Pacific Coast Highway. Pursuant to said adopted resolutions, a special tax and bond election was held on May 8, 2007, and the City Clerk's office canvassed the results. Measure D was approved 21 to 8 by the registered voters within the CFD, which exceeded the 2/3 majority needed for its passage.

On May 29, 2007, Council, acting as the legislative body of the CFD, adopted Resolution No. 07-24 certifying the election results and directing the recordation of a Notice of Special Tax Lien on the properties within the CFD. Additionally on June 11, 2007, Council adopted Ordinance No. 312, which authorized the levy of the special tax approved by the voters in Measure D to be levied on the property within the CFD for the purposes of paying debt service on bonds issued by the CFD or for paying directly for the costs of the undergrounding facilities and ongoing administrative costs of the CFD.

On November 24, 2008, Council adopted Resolution No. 08-65, authorizing the sale of special tax bonds by the CFD in an amount not to exceed \$5,000,000 to finance construction costs, costs of issuance and a debt service reserve fund. Bonds were sold in December 2008 in the amount of \$4,365,000. The bonds are a special obligation of the CFD and are payable and secured by a pledge of special taxes levied on property within the CFD. Neither the faith nor credit of the City is pledged to or responsible for the repayment of the bonds.

On June 13, 2011, Council adopted Resolution No. 11-25, authorizing a refinancing of the bonds previously authorized by Resolution No. 08-65. The re-issuance and refinancing of the bonds allowed for a lower interest rate and has resulted in a reduced debt service for the remaining bonds. As a result, homeowners within the district realize a savings of several thousand dollars a year.

Each year prior to August 10, for as long as the CFD bonds are outstanding, Council will be presented with a resolution setting the maximum tax rate for such fiscal year and directing the City staff or the City's Special Tax Consultant to convey such information to the County Assessor's Office to be placed on the secured property tax roll. As additional security for the payment of the bonds, the CFD will covenant on behalf of bond owners to conduct judicial foreclosure proceedings against property within the CFD that is delinquent in the payment of special taxes for a specified period of time and in a specified amount.

The levy of special tax for Fiscal Year 2022-2023 for each property within the CFD is listed in the Annual Administration Report for Fiscal Year 2022-2023, which is included as Attachment 2. The total proposed levy for Fiscal Year 2022-2023 is \$237,219.40 pursuant to the adopted Rate and Method of Apportionment (Resolution No. 06-54) and Ordinance No. 312. With the exception of Assessor's Parcel 4451-005-036, the proposed levy per parcel is \$5,391.35 as shown in Exhibit A of Attachment 1. Assessor's Parcel 4451-005-036 is the consolidation of Assessor's Parcels 4451-005-022 and 4451-005-023, and therefore the proposed levy is \$10,782.70.

SECTION 2. The above recitals are all true and correct.

SECTION 3. In accordance with Section 53340 of the Act and Ordinance No. 312, there is hereby levied upon the parcels within the District which are not otherwise exempt from taxation under the Act or the Ordinance the special taxes for Fiscal Year 2022-2023 (the “Special Taxes”), at the tax rates set forth in Exhibit A hereto and the Special Tax Consultant shall apportion the Special Taxes in the manner specified in Resolution No. 07-05 and the report prepared by the Special Tax Consultant entitled “Annual Administration Report for Fiscal Year 2022-2023” submitted herewith. Such rates do not exceed the maximum rates set forth in the Ordinance. After adoption of this Resolution, but no later than August 10<sup>th</sup>, the Special Tax Consultant shall deliver the certified list of all parcels subject to the special tax levy including the amount of the Special Taxes to be levied on each parcel in Fiscal Year 2022-2023 (the “Certified List”) to the City Manager or her designee and thereafter, but in no event later than August 10<sup>th</sup>, the City Manager or her designee shall cause a certified copy of this Resolution together with the Certified List, to be filed with the County Auditor-Controller. The Certified List may contain tax rates lower than those set forth in Exhibit A if the City Manager determines that such lower rates are adequate to accomplish the purposes of the District in Fiscal Year 2022-2023. The City Manager or her designee and the County Auditor-Controller are hereby authorized to make changes to the Certified List from time to time to correct any error in the amount of the levy on any parcel to make it consistent with the rate and method of apportionment attached to the Ordinance, including, but not limited to, adding any parcels omitted from the Certified List or deleting any parcels included in the Certified List.

SECTION 4. Properties or entities of the state, federal or local governments shall be exempt from the above-referenced and approved Special Taxes only to the extent set forth in the Ordinance and otherwise shall be subject to the Special Taxes consistent with the provisions of

Section 53317.3 of the Act in effect as of the date of adoption of this Resolution.

SECTION 5. All of the collections of the Special Taxes shall be used only as provided for in the Act and Resolution No. 07-05. The Special Taxes shall be levied only so long as needed to accomplish the purposes described in Resolution No. 07-05.

SECTION 6. The Special Taxes shall be collected in the same manner as ordinary ad valorem taxes are collected and shall be subject to the same penalties and the same procedure, sale and lien priority in cases of delinquency as provided for ad valorem taxes as such procedure may be modified by law or this City Council from time to time.

SECTION 7. As a cumulative remedy, if any amount levied as the Special Taxes for payment of interest or principal on any outstanding bonds of the District (the "Bonds"), together with any penalties and other charges accruing under this Resolution, are not paid when due, the City Council may, not later than four years after the due date of the last installment of principal on the Bonds, order that the same be collected by an action brought in the superior court to foreclose the lien of such Special Taxes.

SECTION 8. The City Manager or her designee is hereby authorized to transmit a certified copy of this Resolution, together with the Certified List, to the County Assessor and/or the Treasurer-Tax Collector, together with other supporting documentation as may be required to place the Special Taxes on the secured property tax roll for Fiscal Year 2022-2023 and for the collection of the Special Taxes in the manner of ad valorem property taxes and to perform all other acts which are required by the Act, the Ordinance, or by law or deemed necessary by the City Manager in order to accomplish the purpose of this Resolution, the Act or Bond covenants.

SECTION 9. This Resolution shall be effective upon its adoption.

SECTION 10. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

This report summarizes the financial and administrative obligations of Community Facilities District No. 2006-1 ("CFD No. 2006-1") of the City of Malibu (the "City"). CFD No. 2006-1 was established pursuant to the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended, and was authorized to issue up to \$5,000,000 in bonds. On December 23, 2008, CFD No. 2006-1 issued special tax bonds in the aggregate principal amount of \$4,365,000 (the "Series 2008 Bonds") to finance the undergrounding of existing overhead utilities with the district. The Series 2008 Bonds were subsequently refunded in 2011 with the issuance of special tax refunding bonds in an aggregate principal amount of \$3,900,000 (the "Series 2011 Refunding Bonds"). The Series 2011 Refunding Bonds were then refunded in 2016 with the issuance of special tax refunding bonds in an aggregate principal amount of \$3,520,000 (the "Series 2016 Refunding Bonds").

This report is organized into the following sections:

- Section I – Background;
- Section II – Special Tax Requirement;
- Section III – Special Tax Rates;
- Section IV – Special Tax Collections;
- Section V – Funds and Accounts; and
- Section VI – Prepayment of Special Taxes.

### A. Location and Boundaries

CFD No. 2006-1 (commonly referred to as "Carbon Beach") is located within the City along the ocean side of Pacific Coast Highway roughly at Carbon Canyon Road along Carbon Beach and consists of forty-three (43) oceanfront residential units. A copy of the boundary map for CFD No. 2006-1 is included in Exhibit A.

### B. Formation Proceedings

The City Council of the City of Malibu (the "City Council") adopted Resolution No. 06-54 on August 14, 2006 stating its intent to establish CFD No. 2006-1 and to authorize the levy of special taxes therein. On the same date, the City Council adopted Resolution No. 06-55 stating its intent to have CFD No 2006-1 incur bond indebtedness in an amount not to exceed \$5,000,000. Following a noticed public hearing on January 22, 2007, the City Council adopted Resolution Nos. 07-05 and 07-06 which established CFD No. 2006-1, authorized the levy of a special tax, determined the necessity to incur bonded indebtedness in an amount not to exceed \$5,000,000, and called an election on the proposition of incurring bonded indebtedness, levying a special tax and setting an appropriations limit.

On May 8, 2007, an election was held within CFD No. 2006-1 in which the registered voters therein approved the proposition authorizing the issuance of bonds in an amount not to exceed \$5,000,000. On May 29, 2007, the City Council adopted Resolution 07-24 certifying the results of the election and introduced Ordinance No. 312 which provides for the levying of the special tax (the "Special Tax Ordinance"). The Special Tax Ordinance was adopted on June 11, 2007. A notice of special tax lien was recorded with the County of Los Angeles as Instrument No. 20071384817 on June 7, 2007.

### C. Bonded Indebtedness

The Series 2008 Bonds were issued on December 23, 2008 in the principal amount of \$4,365,000. On July 14, 2011, the Series 2008 Bonds were refunded by the Series 2011 Refunding Bonds issued in the principal amount of \$3,900,000. On March 1, 2012, following completion of the utility undergrounding work, Series 2011 Refunding Bonds in the principal amount of \$205,000 were retired with remaining Project Funds. On February 25, 2016, the Series 2011 Refunding Bonds were refunded by the Series 2016 Refunding Bonds issued in the principal amount of \$3,520,000. The current debt service schedule for the 2016 Refunding Bonds is attached hereto as Exhibit B.

### D. Financed Improvements

The improvements authorized to be financed by CFD No. 2006-1 (the "Improvements") consist of the undergrounding of certain previously overhead utilities, including all trench work, removal and relocation of street lighting, removal of overhead lines and utility poles, furnishings, equipment and supplies related thereto. Incidental expenses authorized to be financed include (i) the cost of planning and designing the Improvements, including the cost of environmental evaluations thereof; (ii) any other expenses incidental to the construction, completion and inspection of the authorized work; and (iii) the costs associated with the formation of CFD No. 2006-1, issuance of bonds of CFD 2006-1, determination of the amount, collection, and payment of taxes, or costs otherwise incurred in order to carry out the authorized purposes of CFD No. 2006-1.

### III. Special Tax Requirement

CFD No. 2006-1's special tax requirement for FY 2022-2023 is equal to \$237,219.40 and is presented in Table III-1 below. This amount represents the sum of interest and principal payments due on the 2016 Refunding Bonds, a delinquency contingency of approximately two and one-half percent (2.50%), and projected administrative expenses, less the projected available Fiscal Year 2021-22 year balances<sup>1</sup>. The special tax roll included as Appendix D shows the annual special tax due from each parcel in CFD No. 2006-1.

## IV. Special Tax Rates

### A. Maximum Special Tax Rates

The amount of special taxes that CFD No. 2006-1 may levy is limited by the maximum rate set forth in the Rate and Method of Apportionment of Special Tax ("RMA"), attached hereto as Exhibit C. With the exception of Assessor's Parcel 4451-005-036, the Maximum Special Tax<sup>2</sup> for each Assessor's Parcel of Taxable Property is \$9,548.62. Assessor's Parcel 4451-005-036 is the consolidation of Assessor's Parcels 4451-005-022 and 4451-005-023, and therefore the applicable Maximum Special Tax is equal to the sum of the Maximum Special Tax for the consolidated Assessor's Parcels, or \$19,097.24. Total Maximum Special Taxes are \$420,139.28.

### B. Apportionment of Special Taxes

Pursuant to the RMA, the Special Tax is levied in equal percentages on each Assessor's Parcel of Taxable Property, up to the applicable Maximum Special Tax, until the Special Tax Requirement is met.

Notwithstanding the preceding sentence, under no circumstances will the special taxes levied against any Assessor's Parcel used as a private residence be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel or Assessor's Parcels within CFD No. 2006-1 by more than ten percent (10%) per Fiscal Year.

The FY 2021-2022 and FY 2022-2023 maximum and actual special tax rates are shown in Table IV-1 below. The Special Tax Roll which lists the actual special tax levied against each parcel is attached hereto as Exhibit D.

Any decision of the Council shall be final and binding as to all persons.

**F. MANNER OF COLLECTION**

The Special Tax will be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 2006-1 may collect Special Taxes at a different time or in a different manner as determined by the Council, if necessary to meet its financial obligations.

**G. PREPAYMENT OF SPECIAL TAX**

**1. Prepayment in Full**

Following the issuance of the Bonds, The Maximum Special Tax for any Assessor's Parcel may be prepaid and permanently satisfied as described herein, provided that a prepayment may be made only if at the time of the prepayment there are no delinquent Special Taxes with respect to such Assessor's Parcel. An owner of an Assessor's Parcel intending to prepay the Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel and the date through which the amount any such prepayment shall be valid.

The "Prepayment" shall be an amount equal to the sum of (1) Principal, (2) Premium, (3) Defeasance, and (4) Fees minus the Reserve Fund Credit, where the terms "Principal," "Premium," "Defeasance," "Fees," and "Reserve Fund Credit" have the following meanings:

**"Principal"** means the principal amount of Bonds to be redeemed and equals the quotient derived by dividing (a) the applicable Maximum Special Tax for the Assessor's Parcel intending to prepay by (b) the aggregate Maximum Special Taxes on all Taxable Property within CFD No. 2006-1 (and excluding from (b) any Maximum Special Taxes which have previously been prepaid), and multiplying the quotient by the principal amount of Bonds issued and outstanding.

**"Premium"** means an amount equal to the Principal multiplied by the applicable redemption premium, if any, for the Bonds so redeemed with the

proceeds of any such Prepayment.

**"Defeasance"** means an amount equal to the amount needed to pay interest on the Principal to be redeemed until the earliest redemption date for the outstanding Bonds. Credit shall be given for any Special Tax heretofore paid and which will not be needed for the Special Tax Requirement.

**"Fees"** equal the fees and expenses of CFD No. 2006-1 directly related to calculating the Prepayment and redeeming Bonds.

**"Reserve Fund Credit"** shall equal the lesser of (i) the expected reduction in the applicable reserve fund requirement (as defined in the Indenture), if any, following the redemption of Bonds from proceeds of the prepayment or (ii) the amount derived by subtracting the new reserve fund requirement in effect after the redemption of Bonds from the balance in the reserve fund (as such term is defined in the Indenture) on the prepayment date, but in no event shall such amount be less than zero.

The sum of the amounts calculated in the preceding steps shall be paid to CFD No. 2006-1 and shall be used to pay and redeem Bonds in accordance with the Indenture and to pay the Fees. Upon the payment of such Prepayment to CFD No. 2006-1, the obligation to pay the Special Tax for such Assessor's Parcel shall be deemed to be permanently satisfied, the Special Tax shall not be levied thereafter on such Assessor's Parcel, and the CFD Administrator shall cause notice of cessation of the Special Tax for such Assessor's Parcel to be recorded within 30 working days of receipt of the Prepayment.

## 2. Prepayment in Part

Following the issuance of the Bonds, the Maximum Special Tax for any Assessor's Parcel may be prepaid in part as described herein, provided that a prepayment may be made only if at the time of the prepayment there are no delinquent Special Taxes with respect to such Assessor's Parcel. An owner of an Assessor's Parcel intending to partially prepay the Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel and the date through which the amount any such prepayment shall be valid.

The amount of the "Partial Prepayment" shall be computed pursuant to Section G.1 above substituting the portion of the Maximum Special Tax to be prepaid for the Maximum Special Tax applicable to the Parcel when computing Principal. Upon payment of the Partial Prepayment, the CFD Administrator shall cause a notice of reduction of the Special Tax for such Assessor's Parcel to be recorded within 30 working days of receipt of such Partial Prepayment.

Notwithstanding the foregoing, no Prepayment or Partial Prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied in CFD No. 2006-1 pursuant to Section B after the proposed prepayment is at least the sum of (i) the estimated

Administrative Expenses and (ii) one hundred ten percent (110%) of the annual debt service for the Bonds, taking into account the Bonds to remain outstanding after such Prepayment or Partial Prepayment.
